RECONVENE IN PUBLIC SESSION; ANNOUNCE CLOSED SESSION ACTIONS

At 6:03 p.m., it was moved by Secretary Cole, seconded by Trustee Campos and unanimously carried, to reconvene in Public Session. President White reported that no action was taken during Closed Session.

PLEDGE OF ALLEGIANCE

President White led the pledge of allegiance.

PUBLIC COMMENT ON OPEN SESSION ITEMS

No comments were heard.

GENERAL COMMUNICATIONS

Dr. Debra Daniels welcomed Vice President Severo Balason, Jr. to the District. After an introduction, Mr. Balason thanked Dr. Daniels and the Board for the opportunity to serve the College. He reported he has been attending meetings and has met much of the staff on campus. Mr. Balason looks forward to serving in his role.

APPROVAL OF MINUTES

Secretary Cole requested the minutes be amended on Item 9.A. on the Regular Board Agenda for December 14, 2016 that she regretfully declined the nomination to serve as Board President due to a recent family medical situation. On a motion by Trustee Campos, seconded by Secretary Cole and unanimously carried, the minutes of the Special Meeting held December 12, 2016 and the minutes of the Regular Meeting held December 14, 2016 as amended were approved.

PRESENTATION - Legislative Update Presented by the McCallum Group, Inc.

Mark MacDonald of the McCallum Group, Inc. provided a legislative update that included 2016 legislation and insight into possible 2017 trends, the Governor's proposed budget, and issues in 2017 through a PowerPoint presentation (copy attached to the official minutes). Discussion on legislative items included details on the following topics, to name a few:

- Veteran's Centers
- Mental Health Funding
- Promise Program
- Baccalaureate Programs

It was clarified that Veteran's Center funding is flexible and can be used for student recruiting purposes, if the District sees fit. There was discussion on the development of the Promise Program. The initial legislated funding was one-time financed and the current concern is whether the program will continue and if so where funding would come from. Board members questioned the community college Baccalaureate program and Mr. MacDonald described the program as to recent to expand due to the report of the programs progress not yet due to the state.

Mr. MacDonald gave a brief, first glimpse at the Governor's proposed budget, which will be revised and reviewed in May. This initial budget is conservative and includes a 1.48% Cost of Living Allowance (COLA), a base allocation increase of \$23.6 million for community colleges, and again no proposed student fee increase.

PRESENTATION - CCW Campus Forum Feedback Update

Primavera Arvizu, Dean of Student Success, reported feedback from the campus forum on Carry Concealed Weapon CCW through a PowerPoint presentation (copy attached to the official minutes).

PRESENTATION – CCW Campus Forum Feedback Update (Continued):

Ms. Arvizu thanked all staff involved in preparation of the forum for the work done on the project. The forum, which was recorded, was held on November 30, 2016. Feedback was collected at the forum and through email/electronic invitation; 36 employees responded. Of those who responded, 52 percent responded not in favor of an on campus concealed carry policy allowing CCW permit holders to carry on campus. Forty-seven percent responded in favor of a policy allowing CCW permit holders to carry on campus.

Trustee Michael Long spoke in favor of allowing the Superintendent/President the ability to allow CCW on campus, as the Superintendent/President sees fit. He stated he believes this is supported by the community.

President White was concerned with the low number of participants in the feedback. He encouraged the District to hold another vote to collect the voice of the campus. He also said he hoped more employees would participate in the vote.

Secretary Cole thanked staff for recording the forum, stating it made it easy for everyone to be informed. She spoke a concern with placing security responsibility burden on employees and administration if a policy allows CCW permit holders to carry on campus. She also said that there needs to be a look into overall security concerns by the Board, if there are specific concerns.

Dr. Daniels informed the Board that the information on the CCW policy, if adopted, would be open to the Freedom of Information Act. The names of approved CCW holders would be discoverable. Also, the District would be liable to track and keep training records current as well as the specific location of approved CCW holders on campus, each day.

NEW BUSINESS

Request for Approval – West Kern Community College District Annual Financial Report the Year Ended June 30, 2016 as Prepared by Vavrinek, Trine, Day & Co., LLP

Jim Nicholas, Director of Fiscal Services, presented the report from the 2015-16 audit. The audit is completed annually by a third party as required by the state of California. Vavrinek, Trine, Day & Co., Inc. gave the District an unmodified opinion, showing compliance in financial processes and procedures. It was noted by auditors that the District should work to clear short-term interfund obligations within the fiscal year. Mr. Nicholas and Mr. McMurray explained the program debts to the District and identified areas the District plans to make modifications to meet this suggestion. On a motion by Secretary Cole, seconded by Trustee Long and unanimously carried, the report as prepared by Vavrinek, Trine, Day & Co., LLP was approved (copy can be obtained in Administrative Services office).

Request for Approval – Proposition 39 Measure A General Obligation Bonds Audit Report for the Year Ended June 30, 2016 as Prepared by Vavrinek, Trine, Day & Co., LLP

Mr. Nicholas presented the audit report for the Proposition 39 Measure A General Obligation bonds. As required by California law, the District must have bond financial information audited by a third party to ensure the bond intent is upheld in its expenditures. The District received an unmodified opinion with no findings noted. President White commended staff for efforts. On a motion by Secretary Cole, seconded by Trustee Long and unanimously carried, the report on the Measure A General Obligation bonds were approved (copy can be obtained in Administrative Services office).

Request for Approval – Request to Increase Balance of WKCCD/TC Revolving Account #2

Dr. Daniels explained the intent of this revolving account was to correct payroll differences that occurred and could not be corrected in time due to the printing process with the County Office of Education. The account was created over 15 years ago. It is requested that the balance of the account be increased to meet the needs of a growing payroll in connection with wage increases and the number of staff on payroll. On a motion by Trustee Long, seconded by Trustee Orrin and unanimously carried, the request was approved.

Request for Approval – Request to Award the Gym Reroof Phase 2 Project to Lowest Bidder, Midstate Sheetmetal, Inc., \$96,544.00

Mr. McMurray said that this project would replace and/or repair the upper section and parts of the lower section of the gymnasium roof as needed. The project is funded by Deferred Maintenance funding. It is requested that the lowest bidder, Midstate Sheetmetal, Inc. be awarded the project. Mr. Jose Vargas, of AP Architects, stated the roof will have a 15 year warranty. On a motion by Trustee Campos, seconded by Secretary Cole and unanimously carried, the project was awarded to Midstate Sheetmetal, Inc. (copy attached to the official minutes).

Second Reading and Request for Approval – Updated Board Policy #7600 – Campus Security Officers

Dr. Daniels stated that Board Policy #7600 has been brought to the Board with updates as recommended by the Community College League of California. Language requires any officers that carry a firearm be trained as the law describes. On a motion by Trustee Long, seconded by Trustee Cole and unanimously carried, Board Policy #7600 as updated was approved (copy attached to the official minutes).

First Reading – Updated Board Policy #2100 – Board Elections

As recommended by the Community College League of California, language is updated to reflect the appropriate meeting for a newly elected Trustee to begin a term in office. (No Action)

REPORTS (Continued):

Trustee Reports

President White attended the Winter Extravaganza. He thanked those involved and said it was a fun event he looks forward to attending each year.

Secretary Cole also attended the Winter Extravaganza. She thanked Dr. Daniels and the basket donors for the TC Promise basket efforts. She looks forward to the future of this new tradition.

Academic Senate

Academic Senate President Geoffrey Dyer reported that the Senate as a whole met today. Topics that the Senate are currently discussing include SB 1379 regarding part-time/adjunct rehire, the Innovation Planning Grant, and the Zero-Textbook Cost Degree Planning Grant. The Zero-Textbook Cost Degree Planning Grant will be coordinated by Dan Hall. The Senate issued a resolution endorsing a College and Career Access Pathways Partnership Agreement with Taft Union High School, on a year-to-year basis. Another resolution, encouraging revitalization of the Joint Dual Enrollment Committee, was passed. This was the result of recent legislation and interest. The Senate will also begin annual Academic Senate Faculty Excellence Awards.

Student Services

Primavera Arvizu, Dean of Student Success, reported a Cougar Day was held today. She welcomed Severo Balason, Jr. as the new Vice President of Student Services.

Mr. Balason thanked the Board and staff for a welcoming first week. He has made observations and introductions during in-service this week. Mr. Balason looks forward to the work ahead.

Human Resources

Dr. Robert Meteau, Associate Vice President of Human Resources, reported that the Winter Extravaganza was a success with employees. He said that the current in-service is providing a lot of professional development opportunities for employees. The feedback from in-service is showing that the opportunities are well received.

Taft College Foundation

Sheri Horn-Bunk, Director of the Foundation, thanked the Board for their attendance at the holiday party. She informed the Board that there are great donor meetings with herself and Dr. Daniels happening this month. She also told the Board that there will be an event to honor the Osher scholarship donors and recipients as well as another round table event this spring.

REPORTS (Continued):

Transition to Independent Living

Carey Carpenter, Interim Director of TIL, invited all to attend the Chamber of Commerce mixer tomorrow at 5 p.m. The event will be held in the Center for Independent Living kitchen. The TIL students have worked to provide a wonderful event.

Administrative Services

Brock McMurray, Executive Vice President of Administrative Services, introduced Jose Vargas, of AP Architects. Mr. Vargas provided an update on campus facility projects. The Student Center is nearing completion of the excavation. Soon work will begin to form utility trenches and the foundation. The PG&E expansion project is moving forward as well. The concrete pads and foundation for the transformer is being built. Lastly, the Proposition 39 LED lighting project is entering the next phase with the lighting in the library going to bid soon.

Mr. McMurray also told the Board the College is in planning stages for an Outdoor Learning Yard (OLY) that will hold the tank farm project STEM had previously demonstrated.

Mr. McMurray noted that the 4th annual Triple Play dinner is to be held on January 27th and features former MLB player Eric Byrnes.

Business Services

Mr. Nicholas, Director of Fiscal Services, stated that Business Services is currently working on annual employee wage reporting and will begin planning the 2017/18 budget soon.

Instruction

Mark Williams, Vice President of Instruction, told the Board Instruction is working on both the Zero-Textbook Cost and Innovation grants. Great work is being completed by many staff members. He also reported that enrollment is doing well, thanking Student Services for their continued collaborative efforts.

REPORT OF THE SUPERINTENDENT

Foundation Holiday Party

Dr. Debra Daniels attended the annual Foundation holiday party. She was pleased with honoring Chevron for continuous support of the College. She thanked the Foundation for the work in the event and in the award to Al Williams on behalf of Chevron. Dr. Daniels looks forward to the dedication of the STEM building in the name of Chevron.

SUPERINTENDENT'S REPORT (Continued):

Winter Extravaganza

The annual Winter Extravaganza was a success. Employees share a meal, competed in an ugly sweater contest, and played bunco. Dr. Daniels was pleased with the employee response to her request for baskets to begin a TC Promise scholarship. With her match, the scholarship has a strong \$4,000.00 foundation. The baskets were festive and showed the generosity of the College's staff.

Upcoming Events

Dr. Daniels and Trustee Orrin will attend the Effective Trusteeship Workshop for newly elected trustees in late January. They will then be joined by the other members of the Board for the annual Legislative Conference.

The Accrediting Commission for Community and Junior Colleges (ACCJC) will be visiting this spring, tentatively the first week of April. Prior to that visit, Dr. Daniels will serve on a visiting accreditation team at Mt. San Antonio College. She will be prepared for the College's visit as well as the new standards the College will face from ACCJC in the future.

NEXT MEETING

The next monthly meeting is scheduled for Wednesday, February 11, 2017, at 5:00 p.m.

Advisory: Eligibility for English 1000 and Reading 1005 strongly recommended

Total Hours: 48 hours lecture

Catalog Description: An overview of the physical environment of California's soil, water, air and the flora and fauna found in the region with an emphasis on how industry implements technology and best practices to comply with federal, state, and local environmental regulatory requirements. Case studies involving environmental compliance issues will be reviewed. Students are expected to role play, analyze data, present reports, and complete regulatory documents in the context of the regulatory compliance scenarios presented to the class.

Type of Class/Course: Degree/Credit

**Text: The Environmental Law Handbook, 22nd Edition, Bell, Brownell, Case & 13 others.
Bernan Press 2013, ISBN-13: 978-1598886672; ISBN-10: 1598886673**

Additional Materials: None.

Course Objectives:

By the end of the course a successful student will be able to:

- 1. understand the environment of the Central California region, public policy issues, and regulatory framework and requirements for industrial operations in this region,**
- 2. access regulatory information, evaluate data, and apply best practices for environmental compliance activities at industrial sites,**
- 3. troubleshoot regulated industrial processes to identify and correct environmental compliance problems using industrial best practices and appropriate technology,**
- 4. implement and improve the form and function of an Environmental Management System, how to implement one, and how to continuously improve environmental compliance processes at industrial sites,**
- 5. utilize the principles of groundwater management and protection,**
- 6. utilize the principles of wastewater treatment and discharge requirements,**
- 7. know how to protect and preserve threatened and endangered species**
- 8. understand the regional air basin and how to comply with air regulations,**
- 9. understand the principles of environmental incident prevention and response.**

Course Scope and Content:

UNIT I The Environment and Biological Species of Central California

- A. Geology, Topography, and Tectonics**
- B. Watersheds, Rivers, Lakes, and Aquifers**
- C. Soil deposition, soil types, and sedimentary basin mechanics**
- D. Regional Biological Species**

TAFT COLLEGE

- E. Species of Special Concern**
- F. Protecting Biota at Industrial Sites**

UNIT II Energy, Environment, Politics and Regulations

- A. The Environment and the Politics of Industrial Activity**
- B. Greenhouse Gas and GHG Regulations**
- C. Environmental Regulations Applicable to Industry (list provided)**
- D. Regulatory History: Timeline, Drivers, and Industry Compliance**
- E. Technology and its Application to Environmental Protection**

UNIT III Complying with Air Regulations (Clean Air Act CAA, State and Air Pollution Control District APCD Regulations)

- A. The San Joaquin Valley Air Basin Mechanics**
- B. New Source Review/Prevention of Significant Deterioration NSR/PSD Permitting Basics**
- C. SJVUAPCD**
 - 1. Air Permitting (Project: Apply for an Authority to Construct)**
 - 2. Compliance Technology and Industry Best Practices**
 - 3. Source Testing, Continuous Emissions Monitoring Systems CEMS, and Combustion Data Analysis**
 - 4. Flaring**
 - 5. Venting**
 - 6. Fugitive Emissions Monitoring (Exercise with Organic Vapor Analyzer/Type-Length-value OVA/TLV)**
 - 7. Waste Gas**
- D. Troubleshooting, Corrective Action**

UNIT IV Solid Waste Management (Resource Conservation and Recovery Act RCRA, Cal Title 22,8,27, Superfund, Department of Transportation DOT)

- A. Non-Hazardous Waste Management**
- B. Federally Regulated Hazardous Waste & Superfund Liability**
- C. California Regulated Wastes**
 - 1. Hazardous**
 - 2. Special**
 - 3. Man-Made Mineral Fibers (MMMMF)**
 - 4. Satellite Hazardous Waste Containers**
 - 5. Handling, Manifesting, and Shipping**
 - 6. Disposal & Treatment Storage and Disposal (TSD) Facility Requirements**
 - a) Recycling**
 - b) Incineration**
 - c) Plasma Gasification**

UNIT V Liquid Waste Management (RCRA and Cal Title 22, 8)

- A. Industrial Laboratory Waste Regulations**
- B. Waste Management Analysis and Regulatory Classification**
- C. Waste Management Plans (example provided)**

UNIT VI Surface Water Protection (SWPP Act, Clean Water Act)

- A. Storm water Permitting and Compliance (Example Plan Provided)**
- B. National Pollutant Discharge Elimination System (NPDES) Permitting Process and Discharge Requirements**
- C. Spill Prevention Control and Countermeasure Plans (Example Provided)**

UNIT VII Groundwater Protection (Clean Water Act, RWQCB Title 40 CFR)

- A. Overview of Soil and Aquifer types and mechanical properties**
- B. Groundwater Protection Technologies**

TAFTCOLLEGE

- a. Pits and Sumps
- b. Mechanical Integrity Programs
- c. Corrosion Monitoring – Pipelines, Tanks, Processing
- C. Groundwater Monitoring Technology
- D. Groundwater Remediation Technology
- E. Groundwater Monitoring and Sampling Plan (example provided)
- F. Troubleshooting, Corrective Action

UNIT VIII Waste Water Treating (Clean Water Act (CWA), RWQCB)

- A. Regulatory Requirements – Regional Water Quality Control Board.
- B. Produced Water Treating Technology
- C. Sewage and Sludge Treating Technologies
- D. Reuse/Recycle of Water

UNIT IX Managing Biodiversity (Threatened and Endangered (T&E) Species Act)

- A. Threatened and Endangered Species – Who, Where, What they Need
- B. Techniques for Fostering Biodiversity in Industrial Locations
- C. Preventing Takes and Making a Take Report

UNIT X Spill Prevention Control and Countermeasure (SPCC, Oil Pollution Act of 1990, OP A-90)

- A. SPCC, OPA, and Office of Spill Prevention and Response OSPR Plans (examples provided)
- B. Spill Response and Incident Command Case Studies
- C. Spill Site Restoration and Remediation with Case Studies
- D. Incident Command System (ICS) – Process Study
- E. Troubleshooting, Corrective Action

UNIT XI California Environmental Quality Act (CEQA)

- A. International Energy Projects and the Environmental Impact Report/Environmental Impact Statement (EIR/EIS) Process (Case Study)
- B. The California EIR Process
- C. The EIR Process as it applies to Industrial Projects
- D. The County EIR Process and Energy Projects
- E. Process Description and Requirements
- F. Land Ownership and Land Use Issues
 - a. Working Well with Landowners (Case Studies)

UNIT XII Environmental Management Systems (Industry Examples provided)

- A. Environmental Processes and Procedure Documentation
- B. Handling Regulatory Inspections and Audits
- C. Compliance Records and Regulatory Reporting
- D. Rights and Responsibilities of Corporate Officials
- E. Environmental Compliance in International Operating Environments

Learning Activities Required Outside of Class:

Students will spend a minimum of 6 hours per week outside of regular class time doing the following:

1. Completing assignments including waste manifests, air permit applications, analyzing and summarizing data from monitoring and analytical results.
2. Reading applicable industry regulations, industry technical publications and best practices.
3. Visiting museums, government, and/or industry locations to do research.
4. Preparing reports, presentations, permits, and data sheets regarding

environmental compliance technology and best practices.

Methods of Instruction:

- 1. Lecture**
- 2. Group Work**
- 3. Class Discussions**
- 4. Guest Presentations**
- 5. Practical Exercises**
- 6. Field Trips**

Methods of Evaluation:

- 1. Exams**
- 2. Quizzes**
- 3. Presentations**
- 4. Observations**

Request for Approval-The Superintendent/President, with the support of Governance Council, recommends that the Superintendent/President not grant permission to allow concealed carry on WKCCD facilities.

Background:

Under the law, concealed carry may be allowed on campus with the permission of the Superintendent/President. The College held a forum on the topic at the request of the Board of Trustees. The president took the discussion to the Governance Council of the District. The Governance Council upholds BP 3530 and recommends that the Superintendent/President not grant permission to allow concealed carry on West Kern Community College District facilities.

First Reading- College and Career Access Pathways (CCAP) Agreement with Taft Union High School District (TUHSD)

Background:

Taft Union High School (TUHS) has previously partnered with West Kern Community College District (WKCCD) Concurrent Enrollment and Articulation opportunities. Recent legislation provides options for strategically restricting enrollment when appropriate and simplifying apportionment concerns. The initial Career Technical Educational pathway will be Welding courses, starting with WELD 1500-Welding Processes and INTC 1000 Career Readiness in Industrial Technology.

Terms (if applicable):

Effective upon signature for 1 year

Expense (if applicable):

The agreement for dual enrollment with TUHS is a zero cost course for students meeting eligibility. Zero cost for WKCCD.

**COLLEGE AND CAREER ACCESS PATHWAYS
(CCAP) AGREEMENT between WEST KERN COMMUNITY
COLLEGE DISTRICT (WKCCD) and TAFT UNION HIGH
SCHOOL DISTRICT (TUHSD)**

Status: **Action**

Presented by: Mark Williams,
 Vice President, Instruction

Issue

New legislation on Dual Enrollment requires College and Career Access Pathways (CCAP) agreements under AB 288 be presented to both the Taft College and TUHS Boards, first as informational items and in the subsequent month as an action item.

Background

Taft Union High School (TUHS) has previously partnered with West Kern Community College District (WKCCD) Concurrent Enrollment and Articulation opportunities. Recent legislation provides options for strategically restricting enrollment when appropriate and simplifying apportionment concerns. The initial Career Technical Educational pathway will be Welding courses, starting with WELD 1500-Welding Processes and INTC 1000 Career Readiness in Industrial Technology.

Recommended Action

It is recommended that the Board of Trustees for Taft College approve the CCAP agreement with TUHSD.

West Kern Community College District / Taft Union High School District College and Career Access Pathways (CCAP) Agreement

THIS AGREEMENT, made and entered into _____ (enter date agreement signed), between the WEST KERN COMMUNITY COLLEGE DISTRICT hereinafter called "WKCCD" and TAFT UNION HIGH SCHOOL DISTRICT, hereinafter called the "TUHSD"; and supersedes all previous contracts and shall be valid for a period not to exceed one year, and supersedes all previous education Agreements. Specific agreement between Taft Union High School (TUHS) and Taft College (TC).

Whereas additional addendums are permits in this document as needed.

Taft College and Taft Union High School

WHEREAS TC and TUHS find it mutually beneficial to operate the courses indicated below within the TUHS boundaries to serve students identified by TUHS each party shall agree to take on the following duties and responsibilities:

1. TC shall be responsible for:
 - a. Providing mutually agreed upon college-level courses at Taft Union High School (TUHS).
 - i. Fall 2017 – WELD 1500
 - ii. Spring 2018 – INTC 1000
 - b. Selecting the faculty member to teach the course(s).
 - c. Evaluating the faculty member teaching the course(s), as per the faculty member's union master agreement.
 - d. Providing student support services to ensure proper testing, advisement, and enrollment.
 - e. Maintaining liability/property insurance coverage consistent with TC's existing coverage and limits existing throughout TC.
 - f. Holding TUHS students enrolled in the course(s) accountable to the standards for the policies and procedures of TC.

- g. Providing student performance information to the student and TUHS upon request.
 - h. Collecting and submitting attendance information to TUHS in the form and manner the faculty would collect such data for submission of Full Time Equivalent Student (FTES) information to the California Community College State Chancellor's Office.
 - i. Submitting FTES to California Community College Chancellor's Office as authorized by statute.
2. TUHS shall be responsible for:
- a. Providing an appropriate location and instructional space for the course(s).
 - b. Maintaining liability/property insurance coverage consistent with TUHS's existing coverage and limits existing throughout TUHSD.
 - c. Supplying the faculty with the ability to properly utilize TUHSD's facilities (appropriate keys, copying, and other support which the faculty identifies to ensure student success).
 - d. Holding TUHS students enrolled in the course(s) accountable to the standards for the policies and procedures of TUHSD.
3. Protocols required for College and Career Access Pathways (CCAP) partnerships (California Code of Regulations, Title 5, section 76004 [AB288 – Holden]):
- a. Total number of students to be served: 20
 - b. Total Full-Time Equivalent Students (FTES) expected to be claimed by WKCCD: 4
 - c. Scope & nature of the courses, including applicable programs of study:
 - i. Welding courses applied as required core courses for successful completion of Associate of Science in Welding Technology, a non-transferrable degree.
 - d. Course(s), location, time, capacity

- i. WELD 1500, K Building, 3 unit, TUHS, 1 section, 8/14/2017 - 12/22/2017, capacity 20.
 - ii. INTC 1000, K Building, 3 unit, TUHS, 1 sections, 1/18/2018 - 5/30/2018, capacity 20.
- e. TC will require each high school student to complete the college's Concurrent High School Student Permission Form (special admit form).
- f. A part-time student participating in this CCAP Partnership Agreement may enroll in up to a maximum of 15 units per term if all of the following circumstances are satisfied:
 - i. The units constitute no more than four community college courses per term.
 - ii. The units are part of an academic program that is part of a CCAP partnership agreement.
 - iii. The units are part of an academic program that is designed to award students both a high school diploma and an associate degree or a certificate or credential.
- g. Information sharing: Upon signatory authorization by the high school administrator, parent/guardian, and student this form provides consent for information sharing between TC and the TUHS to include the following: Any and all admissions, registration, and grade information. Form signatories agree to notification of Family Educational Rights of Privacy Act (FERPA) regulations and limitations.
- h. Parental consent: Upon signatory authorization by the high school student's parent/guardian parental consent for registration and enrollment in the designated TC courses is provided.
- i. Ability to benefit: High school students are deemed able to benefit from TC courses as determined by the recommendation of the designated high

school administrator and/or standard TC instituted pre-requisite criteria.

- j. Facilities use: TUHS will provide adequate classroom space at its facilities, or other mutually agreed upon location to conduct the contemplated instruction and will do so without charge to TC or students. TUHS agrees to clean, maintain, and safeguard TUHS's premises. TUHS warrants that its facilities are safe and compliant with all applicable building, fire, and safety codes. Pursuant to the Williams Settlement, the TUHS Board of Trustees will pass a resolution before courses are held which exempts all campuses in the TUHS which will be used for courses under this agreement from the provisions of the Williams Settlement. The exemption from the Williams Settlement may be limited by the resolution to the time immediately before, immediately after and during the time courses are being held under the terms of this agreement.
- k. TUHS certifies that the direct education cost of the courses are not being fully funded through other sources.
- l. TC certifies that it has not received full compensation for the direct education TC for the conduct of the course from other sources.
- m. TUHS agrees and acknowledges that all courses held under the terms of this CCAP Partnership Agreement may be restricted to students of TUHS and Buena Vista.
- n. TUHS agrees and acknowledges that WKCCD will claim apportionment for the students enrolled in courses under this agreement.
- o. TC certifies that no community college instructor teaching a course on a high school campus has been convicted of any sex offense as defined in Section 87010, or any controlled substance offense as defined in Section 87011.
- p. TC certifies that any community college instructor teaching a course at the partnering high school campus has not displaced or resulted in the termination of an existing high school teacher teaching the same course on that high school campus.

- q. TC certifies that a qualified high school teacher teaching a course offered for college credit at a high school campus has not displaced or resulted in the termination of an existing community college faculty member teaching the same course at the partnering community college campus.
- r. TC certifies that the college course(s) noted within this agreement do not reduce access to the same course offered at the partnering community college campus.
- s. TC certifies that the college course(s) noted within this agreement are not over enrolled.
- t. TC certifies that the offering of college course(s) noted within this agreement is consistent with the core mission of the community college pursuant to Section 66010.4 and that pupils participating in a CCAP partnership will not lead to enrollment displacement of otherwise eligible adults in the community college.
- u. TC certifies the community college district complies with local collective bargaining agreements and all state and federal reporting requirements regarding the qualifications of the teacher or faculty member teaching a CCAP partnership course offered for high school credit.
- v. TUHS certifies the community college complies with local collective bargaining agreements and all state and federal reporting requirements regarding the qualifications of the teacher or faculty member teaching a CCAP partnership course offered for high school credit.
- w. TC will be the employer of record for purposes of assignment monitoring and reporting to the county office of education.
- x. TC will assume reporting responsibilities pursuant to applicable federal teacher quality mandates.
- y. At no cost to TUHS, TC will provide supportive services of staff members who will facilitate coordination and cooperation between TC and TUHS. TC will provide TUHS personnel with reasonable assistance, direction and instruction in how to fulfill their responsibilities under this agreement,

including conducting appropriate student assessments, outreach/recruitment activities and the TC's application procedures.

- z. TC and TUHS will designate a liaison(s) or point of contact. The following person(s) has been designated:

Title of Board Item:

Amendment #5 for Year 6, the no cost extension period, of the Agreement with University of La Verne to facilitate the STEM Pathways V Cooperative Grant through the US Department of Education.

Background:

Taft College partners with the University of La Verne in our STEM Pathways Title V Cooperative Grant through the US Department of Education. The purpose of this partnership includes: (1) STEM outreach to K-12 within the service area of the University of La Verne, (2) the use of our STEM summer research projects to train students to be query-based problem solvers that can transition well into the job market and graduate programs, and (3) the incorporation of innovative curriculum using mobile technology to enhance STEM-related laboratory programs.

Terms (if applicable):

This agreement was originally executed on November 28, 2011 between Taft College and the University of La Verne. This agreement was subsequently amended in 2012, 2013, 2014, and 2015 to reflect this on-going partnership. This agreement will once again be amended to cover performance from October 1, 2016 through September 30, 2017.

Year 1: Performance Period of 10/1/11 – 9/30/12, Partner College (LaVerne) Budget: \$313,500 (Yr. 1)

Year 2: Performance Period of 10/1/12 – 9/30/13, Partner College (LaVerne) Budget: \$582,656 (Yr. 1 + Yr. 2)

Year 3: Performance Period of 10/1/13 – 9/30/14, Partner College (LaVerne) Budget: \$863,350 (Yr. 1 + Yr. 2 + Yr. 3)

Year 4: Performance Period of 10/1/14 – 9/30/15, Partner College (LaVerne) Budget: \$1,151,772 (Yr. 1 + Yr. 2 + Yr. 3 + Yr. 4)

Year 5: Performance Period of 10/1/15 - 9/30/16, Partner College (LaVerne) Budget: \$1,422,043
(Yr. 1 + Yr. 2 + Yr. 3 + Yr. 4 + Yr. 5)

Year 6: Performance Period of 10/1/16 - 9/30/17, Partner College (LaVerne) Budget: \$1,422,043
(Yr. 1 + Yr. 2 + Yr. 3 + Yr. 4 + Yr. 5 + Yr. 6)

Expense (if applicable):

Since inception of the agreement in 2011, and with this amendment, the projected budget and expenditures: \$1,422,043. The expenditures for the no cost extinction period are to remain the same, not to exceed the total budget of \$1,422,043.

Fiscal Impact Including Source of Funds (if applicable):

To be paid through the STEM Pathways Title V Cooperative Grant.

AGREEMENT
BETWEEN
TAFT COLLEGE
AND
THE UNIVERSITY OF LA VERNE
Amendment No. 5

In accordance with the ORIGINAL AGREEMENT that was executed on November 28, 2011 by Taft College, hereinafter referred to as "TAFT", and the University of La Verne, hereinafter referred to as "La VERNE", the AGREEMENT is being amended per the sections below:

In accordance with the PERIOD OF PERFORMANCE in **Article 3** of the Original AGREEMENT, the period shall be amended and extended to reflect a new end date of September 30, 2016, unless either party serves notice of termination, or unless amended by written mutual agreement.

In accordance with the PAYMENT OF COSTS in **Article 4**, of the Original AGREEMENT, the amount of the contract shall be revised to \$1,422,042 (one million, four-hundred twenty-two thousand, forty-two), to reflect TAFT'S agreement to reimburse the expenses La VERNE incurs conducting the Title V STEM Co-Op activities. This amount is part of the STEM Co-Op Budget developed by TAFT and La VERNE, and is included here as an exhibit. This amount is calculated as follows:

- Year 1 - Performance Period of 10/1/11 – 9/30/12, Partner College (La Verne) Budget: \$313,500 (Yr. 1)
- Year 2 - Performance Period of 10/1/12 – 9/30/13, Partner College (La Verne) Budget: \$582,656 (Yr. 1 + Yr. 2)
- Year 3 - Performance Period of 10/1/13 – 9/30/14, Partner College (La Verne) Budget: \$863,350 (Yr. 1 + Yr. 2 + Yr. 3)
- Year 4 - Performance Period of 10/1/14 – 9/30/15, Partner College (La Verne) Budget: \$1,151,772 (Yr. 1 + Yr. 2 + Yr. 3 + Yr. 4)
- Year 5 - Performance Period of 10/1/15 – 9/30/16, Partner College (La Verne) Budget: \$1,422,043 (Years: 1 + 2 + 3 + 4 + 5)
- Year 6 - Performance Period of 10/1/16 – 9/30/17, Partner College (La Verne) Budget: \$1,422,043 (Years: 1 + 2 + 3 + 4 + 5)
 - Year 6 - No Cost Extension year.

All other terms and conditions of the original AGREEMENT, and preceding Amendments shall remain unchanged.

In Witness Whereof, the parties hereto have executed this amendment by their duly authorized officers or representatives.

Exhibit 2 - Scope of Work

Scope of Work for the STEM grant –

Three areas of this grant proposal bear strong creative qualities: our outreach strategy through the GE Core Service Learning course, the use of our STEM summer research projects to train students to be query-based problem solvers that can transition well into the job market and graduate programs, and the incorporation of innovative curriculum using mobile technology to enhance our science laboratory program.

1. Service Learning Outreach

Science Squads:

Within the La Verne GE Core, all students are required to take a service-learning course. In our science-themed GE core class, students are trained to go out into local, predominantly Hispanic, high school classrooms to present engaging science lessons. The goal of these lessons is to increase student interest in STEM fields and encourage them to pursue a degree. For the Science Squad project, undergraduate students teach innovative lessons in K-12 classes that they have developed or were developed by fellow undergraduates. The lessons tackle difficult science topics/concepts – natural selection, criminal science investigations, microbial diversity, and animal and plant biodiversity. Many of the lessons address K-12 science standards, but some focus on teaching science inquiry and process. In the teaching of these lessons, the undergraduate shares their passion about science and hopefully motivates K-12 students to pursue a degree in STEM. In addition, the lessons were all developed and taught by future science teachers, so it gives our students an opportunity to see the classroom and to engage K-12 students about STEM related topics. All students are given a pre and post survey to assess their knowledge content and thoughts about science. Some/majority of these surveys are further analyzed using statistical analyses to later be presented in senior talks and/or conferences.

In the first three years of the Title V STEM grant, our undergraduate Biology teaching track majors developed 19 lessons. Five teaching track students and 40 GE class students offered lessons on topics such as genetics, evolution, cell biology, and physiology. In the fourth year of this grant, we would like to continue to purchase consumables to support existing lessons and continue outreach into school in which we have developed a close partnership.

Career and Graduate Workshop:

Summary – Through the Title V grant, the NSD has begun to sponsor a Career and Graduate Workshop for La Verne Undergraduates as well as local community college and high school students. Our goal is to bring a group of alumni and La Verne supporters from various professions and graduate programs to campus. We feel that providing our students with knowledge about programs/jobs available as well as resources and networking opportunities is important.

We will continue Career and Graduate workshop in Year 6, October 2016. We have invited alumni and professionals from 20 career fields, including genetic counseling, medicine, physical therapy, dentistry, forestry, graduate studies, and nursing.

We anticipate, two hundred students from the University of La Verne, community colleges, and local high schools.

LEAD Conference:

Summary – Last year’s LEAD conference brought 1200 students, parents, teachers, counselors, and community members to La Verne’s campus. The purpose of the LEAD Conference is to provide Latino families in Southern California with the knowledge and resources to make college a reality. An area that requires dramatic development in education is increasing the number of Latino’s gaining access to STEM majors.

Because first-generation Latino students are often unaware of the many career opportunities in the STEM fields, in year four of the grant, we will host two STEM panels: one that illustrates various career opportunities, including science communication, health care, chemical engineering, and pharmacy, and one that highlights what high school students need to do to prepare for success in college as a STEM major. Based on last year’s numbers, we anticipate six hundred people to attend each of the workshops.

2. STEM summer science camp and Research Activities

Our summer activities will continue to incorporate individualized summer research projects (one on one with La Verne faculty) for La Verne and Taft students. We will continue to purchase supplies and consumables needed by project mentors and students to conduct these research projects. Sample projects include physiology and toxicology of endemic land snails, analyzing the protective and preventative effect of food-derived antioxidants on cells subjected to specific pathophysiological conditions, environmental physiology within local moths, and identification of modifiable events in kernel endosperm PCD that will delay death and provide more time for starch accumulation in maize. The research experience provides students with educational growth opportunities not available in the classroom. Employers and graduate schools place high value on faculty-evaluated internships and community-based learning experiences, in which students demonstrate their ability to apply their learning to real-world challenges. More than two-thirds of employers believe that a faculty supervisor's assessment of a student's internship or community-based project would be very or fairly useful to them in evaluating college graduates' potential for success (Liberal Education & America’s Promise: AAC&U, 2008).

The La Verne Summer Science Camp for high school students will continue in Year 4. Last year we focused on a health theme and all lessons (biology, chemistry, physics, mathematics, and computer science) and debate topics were focused around the theme. We will continue our partnership with Speech Communications and will look at another theme important for future STEM majors again this year.

3. Mobile Technology

In years 1-3, La Verne faculty have developed e-texts and materials for Calculus 3, Genetics, General Biology, non-majors biology, Cell Biology, Human Physiology, and Research Methods and Biostatistics. In year 4, continue development of mobile materials

for non-majors biology, cell biology, and developmental biology and will implement ebooks and material already developed.

4. Miscellaneous

Conferences:

Summary - As part of the grant, faculty and students have given presentations at national conferences to disseminate research and share ideas/work from the grant. In October, Drs. Garcia and Weaver will also present our STEM camp activities at the national Coalition of Metropolitan University conference. In November, Drs. Weaver, Broussard, Tsui, and Pablo Weaver will attend a national AAC&U PKAL science education meeting and present a discussion/talk on scientific inquiry at La Verne, highlighting materials from our mobile technology work. In fall and spring, Drs. Garcia and Weaver will also present student/faculty research projects at two local science conferences with students, West Coast Biological Science Undergraduate Research Conference and Southern California Conference for Undergraduate Research.

Other travel summary - In addition to conferences, we will run another field course to the Montana Field Station in year 4. Our goal is to expose students to active research in the field in areas outside of Southern California. This allows students to gain new perspectives and see an area outside of the Los Angeles Basin. The field station in Montana comprises three properties and 170 acres of land. Monies from the grant provide a portion of the gas and food costs for students and faculty going to the station. In year 4, three faculty and several students will go to Montana and work on projects related to vertebrate biodiversity and invertebrate toxicology. We would like to expand this research in year 4 by inviting two Taft students to enroll in the course.

Subject: Request for Approval

Board Meeting Date: February 8, 2017

Title of Board Item:

Purchase of flooring from Advanced Exercise Equipment and Fitness Floor Install for the Taft College Kinesiology program to support development of the EMG/EEG Lab.

Background:

The College is developing Electromyography (EMG) and Electroencephalography (EEG) capabilities as part of the final year of the Title V Pathways grant. This work supports the grant goals of strengthening STEM pathways through active, optimal performance learning. The state-of-the-art capacity is being developed for the Kinesiology program, but is a cross-disciplinary effort that spans Engineering, TIL, Athletics, Anatomy and Physiology, and Psychology.

This flooring required for both safety and instrumentation accuracy in the weight room to ensure consistent, safe and standard implementation of exercises; in particular the pressure plate work and measurements.

Two quotes were obtained. The lowest quote from Advanced Exercise Equipment is recommended. The quotes were as follows:

Advanced Exercise Equipment: \$10,043.41

Opti-Fit Fitness Solutions: \$15,107.54

Terms (if applicable):

One time purchase

Expense (if applicable):

\$10,043.41

Fiscal Impact Including Source of Funds (if applicable):

This expense will be paid from the Title V STEM Pathways Grant funds.

Terms & Conditions

Terms: 50% deposit required prior to ordering, balance due on delivery. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless notified in writing 60 days prior of the requested installation date. We accept cash, checks, money orders, and wire transfers of funds. A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, PLAE Sports Flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by AEE Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360S, T, XS, XM, the HD Elite Half Rack/Short Base unit and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed AEE of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial** _____
- Customer has confirmed that the subfloor consists of no less than 2.5 inches of concrete. **Customer Initial** _____
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and AEE shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.

12 - Month Installation Warranty Limited Express Warranty

WHAT IS COVERED

In addition to any warranty extended to the customer directly from the manufacturer of the product or materials used in the installation, the installer will separately warrant that all of its work substantially conforms to the manufacturer's recommendations and follows industry standards and quality guidelines and that, upon notice from customer, it will correct any faults related to defective workmanship of the product at no additional cost to the customer for a period of one (1) year from the date of substantial completion of the work. The work is to have been performed in a manner consistent with industry standards. If the warranty work requires the replacement of a product that is no longer available, the customer agrees to accept a reasonable product match.

WHAT IS NOT COVERED

This Limited Warranty does not cover the following items:

- A. Any product or sub floor defect that was apparent or ascertainable or which did not conform to the manufacturers recommendations at the time the original install where written evidence is provided stating such irregularity.
- B. Damage related to subsequent alterations, misuse or abuse of the covered items.
- C. Damage resulting from fires, storms, electrical malfunctions, accidents, floods, sub-grade moisture conditions, leaks or acts of God;
- D. Damage related to customer's failure to observe any instructions from the installer and/or requirements of the manufacturer with respect to the product or product installation, including without limitation failure to control moisture, humidity, temperature levels within the facility, premature use of the product;
- E. Sub Floor Failure
- F. Wainscot, Base Boards, Transitions, Stair Nosing's, Thresholds; and
- G. Loose Laid or taped in place products.
- H. Any product

REMEDIES AND LIMITATIONS

- A. The preferred remedy is always for repair rather than re-installation of the original product whenever possible.
- B. With respect to any claim asserted by the customer against FFI, the customer understands that the customer will have no right to recover or request compensation for, and FFI shall not be liable for, any of the following items:
 - 1. Incidental, consequential, secondary, or punitive damages;
 - 2. Damages for aggravation, mental anguish, emotional distress, or pain and suffering;
 - 3. Costs in excess of the total contract amount for the project; or
 - 4. Attorney's fees or costs.
- C. FFI makes no other warranty, express or implied, other than as set forth herein;
- D. These limitations shall be enforceable to the extent permitted by law.

Installation Warranty continued

HOW TO OBTAIN SERVICE

If a problem with the installation develops during the warranty period, the customer should contact FFI at 1-909-730-8989 or provide written notice to FFI at the following email address: fitnessfloorinstall@yahoo.com

The written notice should include the following information: the customer's name, address of installation and telephone number and a description of the nature of the problem. FFI will investigate the claim promptly. Any warranty work will be done during normal working hours except where a delay will cause additional damage. The customer agrees to provide access to the facility and to make available during the work a responsible adult with the authority to approve the warranty work and confirm satisfactory completion of the warranty work.

VOIDED WARRANTY:

This Limited Warranty is voided under the following circumstances: The work is not included in the Project Description on the FFI Completion Certificate; the customer has signed the FFI Completion Certificate but has not made final payment for the project; payment for the work is made directly to another party rather than to FFI; or a Completion Certificate was never signed.

COMPLETE AGREEMENT:

Customer acknowledges that this Limited Warranty constitutes the entire agreement between the parties and that NO representation, whether oral or in writing, shall in any way alter the terms of this Limited Warranty. Furthermore, nothing in this Limited Warranty shall in any way restrict the right of FFI to bring action against the customer for non-payment.

Purchase of electromyography (EMG) equipment from BTS Bioengineering for the Taft College Kinesiology program for development of the EMG/EEG Lab.

Background:

The College is developing Electromyography (EMG) and Electroencephalography (EEG) capabilities as part of the final year of the Title V Pathways grant. This work supports the grant goals of strengthening STEM pathways through active, optimal performance learning. This work provides a technology basis for further developing and expanding the Kinesiology program, but has direct applications for Engineering, TIL, Athletics, Anatomy and Physiology, and Psychology. This equipment will provide the college with the ability to conduct trainings, workshops and other professional development activities beyond the immediate instructional objectives.

This EMG technology request provides the technology for measuring movement, muscle activity, and related brain activity that provides a measurable, scientific basis for assessment and learning outcomes in all of the disciplines and programs involved in this project.

1. BTS SPORTLAB

BTS SPORTLAB is the complete solution for the functional evaluation of the athlete.

Functional evaluation is an important tool to know in a quantitative and objective way the physical and biomechanical condition of the athlete, including non-professional.

With **BTS SPORTLAB**, sport-medicine staff has a scientific support to improve performance, plan individual training programs, identify and correct deficiencies in the athletic preparation and to reduce drastically the risk of sports injuries.

Thanks to the non-invasiveness on the system, the athlete can carry out any sporting gesture without restriction or limits.

BTS SPORTLAB allow the execution of a functional and integrated evaluation based on four key-factors:

- **POSTURE**
- **MOVEMENT**
- **MUSCULAR ACTIVITY**
- **FORCES**

2. BTS SPORTLAB – SERVICES

Installation

Two (2) or more days (when specified) of installation on site made by a BTS Customer Care Team Engineer.

Training

This offer includes two (2) or more days (when specified) of training on site divided in multiple modules. The first module is the Basic Training, helps our clients in familiarizing with the BTS Technology and promotes the complete autonomy for data acquisition and elaboration.

The Advanced training, once the user is familiar with the Basic training, explains in detail clinical and sport applications, and provide a general refresh for the Basic training.

Clinical and Sport Protocols (when purchased) are also demonstrated and learnt by the user.

BTS Basic and Advanced Training are always provided by one of our BTS Biomedical Engineers.

Warranty

The system is provided with one (1) year of Limited Warranty. Warranty extension is available as additional service.

BTS L@BNET

The BTS L@BNET service provides a quick and effective way to manage and repair software applications remotely, in real time from our BTS Customer Care Centre in New York.

To access the BTS L@BNET service, a broad band Internet connection (not included) is needed.

BTS SECURE

BTS SECURE Suite is designed to maintain, after the installation, the highest level of productivity in the BTS Lab.

BTS SECURE includes:

a. BTS Webinar

Web-based seminars, lectures, and workshops performed by biomedical engineers, doctors and academic professors discussing topics on motion analysis.

You will just need a computer with Internet connection and speakers. You will also get access to BTS WEBSITE reserved area in which all the webinars will be available in full version.

b. Software update

Software updates are pushed to the Lab any time a relevant new release (and at least once per year) is developed by the BTS R&D Team. Software updates keep up-to-date the BTS Technology offering additional features and improving the overall user experience.

c. Ticketing

Our TEAM of Biomedical Engineers takes care of your requests and answers quickly to your questions thanks to a preferential lane.

d. Tuning Session

The tuning session includes a yearly preventive check-up (via web) of your system status in order to check and prevent possible issues before they happen and to optimize and tune up the BTS Technology.

Board Meeting Date: February 8, 2017

Title of Board Item:

Purchase of Epilog Fusion M2-32, a Laser Cutter/Engraver from Cutting Edge Systems for the Taft College STEM Program to be used by Taft College students as well as partnering STEM related programs.

Background:

The Taft College STEM Program's purchase of a laser cutter/engraver will help students have a deeper understanding of the design process while also teaching them valuable, marketable skills. This laser technology will expand and further support the innovative opportunities offered at the ETEC facility.

Purchase of the Epilog Laser Cutter will strengthen our efforts of developing research-based active learning curricula in Engineering as well as developing modern learning spaces that integrate state of the art technology. This work aligns with the grant work: "develop technology-based reforms in the science, math, and engineering curricula; developing modern learning spaces that integrate state of the art technology by upgrading equipment and building laboratories for the Taft STEM Resource Center (ETEC)."

Three quotes were received, and the lowest quote from Cutting Edge Systems is recommended. The quotes were as follows:

Cutting Edge Systems: \$78,452.92
Northwest Laser Systems: \$89,884.00
Advanced Marking Solutions: \$87,399.68

Terms (if applicable):

One time purchase.

Expense (if applicable):

\$78,452.92

Fiscal Impact Including Source of Funds (if applicable):

This expense will be 50/50 split between the STEM Pathways grant and the CEED grant.

Board Meeting Date: February 8, 2017

Title of Board Item:

Purchase of strength training equipment from Advanced Exercise Equipment for the Taft College Kinesiology program to support development of the EMG/EEG Lab.

Background:

The Taft College STEM Program will be developing an Electromyography (EMG) and Electroencephalography (EEG) laboratory. The EMG/EEG lab will serve as a STEM hub that will create cross-disciplinary STEM education opportunities, and offer excellence in learning experiences for our STEM students. This facility will also serve as resource for trainings, workshops and other professional development activities. This strength training equipment replaces antiquated equipment, and is required for safety, correct training technique and supporting the learning outcomes for the intended uses for Physiology, Kinesiology, and Anatomy.

Three quotes were obtained. The quote from Advanced Exercise Equipment is recommended. The quotes were as follows:

Advanced Exercise Equipment: \$68,592.80

Matrix: \$62,353.10

Opti-Fit Fitness Solution: \$48,174.27

Expense (if applicable):

\$68,592.80

Fiscal Impact Including Source of Funds (if applicable):

This expense will be paid from the Title V STEM Pathways Grant funds.

Re: Strength Training Equipment

I might first mention that we requested quotes from 3 companies that work closely with the California Community College Athletic Directors Association (CCCADA). Opti-Fit is a distributor of equipment and Matrix and Hammer Strength are the manufacturers of equipment, in fact, Opti-Fit distributes Matrix equipment. As I continue my affiliation with the CCCADA, I have inquired about strength training equipment. It is the consensus of those folks that Hammer Strength is the highest quality equipment and has become the statewide standard. The quality is based upon the stability and strength of the equipment. There have been a couple of athletic directors who have expressed their disappointment with Matrix equipment breaking down. Although the breakdown was within the time of the warranty, they should not have had such issues. Also, two of the most important items of consideration when purchasing is that you are provided with very sturdy racks for the free weights and that they are rubber plated. Both of which will help in the prevention of injury.

There is an additional consideration. When comparing the equipment, we found the Opti-fit was the least ergonomically designed. The Hammer Strength equipment takes into account the interaction between the equipment and those that are using them, thus making them ergonomically designed. This helps the body to build strength and endurance while keeping the body in a state of comfort. State of comfort helps to prevent injury. They use a dual adjustable pulley system in the equipment that allows the user to define their path of motion. The dual pulley system also makes the machines more durable than other pulley systems.

Hammer Strength is a well-known brand in the fitness community. It is considered quite durable in its designs.

Terms & Conditions

Terms: 50% deposit required prior to ordering, balance due on delivery. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless notified in writing 60 days prior of the requested installation date. We accept cash, checks, money orders, and wire transfers of funds. A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, PLAE Sports Flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by AEE Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360S, T, XS, XM, the HD Elite Half Rack/Short Base unit and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed AEE of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial** _____
- Customer has confirmed that the subfloor consists of no less than 2.5 inches of concrete. **Customer Initial** _____
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and AEE shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.

NOTWITHSTANDING ANY DIFFERENT OR ADDITIONAL TERMS THAT MAY BE CONTAINED IN PURCHASER'S PURCHASE ORDER, IF ANY, THIS ACCEPTANCE OF PURCHASER'S ORDER IS EXPRESSLY CONDITIONED UPON PURCHASER'S ASSENT TO THE TERMS AND CONDITIONS SET FORTH HEREIN AND TO THE ATTACHED TERMS AND CONDITIONS (COLLECTIVELY, THE 'AGREEMENT'). IN THE EVENT THAT ANY OF THE TERMS OR CONDITIONS SET FORTH IN THE AGREEMENT CONFLICT OR ARE INCONSISTENT WITH ANY OF THE TERMS OR CONDITIONS CONTAINED IN PURCHASER'S PURCHASE ORDER, THEN PURCHASER EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE TERMS AND CONDITIONS SET FORTH IN THE AGREEMENT SHALL SUPERSEDE AND CONTROL THIS TRANSACTION.

JHTNA TERMS AND CONDITIONS OF SALE

1. **Acceptance and Governing Provisions.** This writing constitutes an offer by Johnson Health Tech North America, Inc., a Wisconsin corporation ("JHTNA"), to sell the products and/or services described herein (collectively, the "Goods") to the purchaser to which it is addressed (the "Purchaser"), subject to the terms and conditions set forth on the face and reverse sides hereof and as set forth in the attached JHTNA Order and the attached JHTNA Electrical (Treadmill Only) & Cabling (Entertainment Only) Requirements (collectively, the "Agreement"). Acceptance of this Agreement is limited to said terms and conditions; and JHTNA hereby objects to any additional and/or different terms which may be contained in any of Purchaser's purchase order, acknowledgment or other forms, or in any other correspondence from Purchaser. In the event that any of the terms or conditions set forth in the Agreement conflict or are inconsistent with any of the terms or conditions contained in Purchaser's purchase order, acknowledgment, other forms, or in any other correspondence from Purchaser, then Purchaser expressly acknowledges and agrees that the terms and conditions set forth in the Agreement shall supersede and control this transaction. This offer expires 30 days from its date or upon JHTNA's prior written notification thereof to Purchaser, unless Goods are subsequently shipped by JHTNA and accepted by Purchaser. All contracts are subject to acceptance by JHTNA only at Cottage Grove, WI, and sales, however ordered, are understood to be fully made and consummated at Cottage Grove, WI.

2. **Payment.** 100% of the purchase price is due and must be received by JHTNA before shipment of the Goods, unless Purchaser has been approved for open credit. To apply for open credit, Purchaser must complete the JHTNA Credit Application and submit to accountsreceivable@johnsonna.com for review and approval. JHTNA will determine credit based on D&B and Credit Safe Reports in addition to reference checking and review of complete Financials of Purchaser if credit reports and references are incomplete. Except as otherwise provided for herein, Purchaser shall pay the invoices in full, without deduction or set-off for any reason, in accordance with the payment terms set forth herein and in the invoices. Any amounts not received by JHTNA within 30 days of Purchaser's receipt of JHTNA's invoice shall be past due. Interest shall be payable at the rate of 18% per year (but not more than the highest rate permitted by applicable law) on all amounts past due. In the event JHTNA's invoice is not paid according to the terms herein or in the invoice, Purchaser agrees to pay all costs of collection before and after judgment, including actual attorneys' fees. If in JHTNA's sole judgment a Purchaser's financial condition at any time does not justify selling to Purchaser on open account, JHTNA may require full payment in advance before proceeding with the order. If Purchaser defaults in any payment when due, then the entire purchase price shall become immediately due and payable in full or JHTNA may at its option, without prejudice to other lawful remedies, defer delivery or cancel the order.

3. **Taxes and Other Charges.** Any manufacturer's tax, occupation tax, use tax, sales tax, excise tax, duty, custom, inspection or testing fee, or any other tax, fee or charge of any nature whatsoever imposed by any governmental authority, on or measured by the transaction between JHTNA and Purchaser shall be paid by Purchaser in addition to the prices quoted or invoiced. In the event JHTNA is required to pay any such tax, fee or charge, Purchaser shall immediately reimburse JHTNA therefore upon demand by JHTNA.

4. **Delivery, Claims and Force Majeure.** Delivery of products to a carrier at JHTNA's facility or other loading point designated by JHTNA shall constitute delivery of title to Purchaser; and regardless of shipping terms or freight payment, all risk of loss or damage in transit shall be borne by Purchaser. JHTNA reserves the right to make delivery in installments; all such installments shall be separately invoiced and paid for when due per invoice, without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Purchaser of its obligations to accept remaining deliveries.

Claims for shortages or other errors in delivery must be made in writing to JHTNA within 5 business days after Purchaser's receipt of shipment; and Purchaser's failure to give such written notice to JHTNA shall constitute the unqualified acceptance of, and a waiver of all such claims by, Purchaser. Claims for loss or damage to Goods in transit shall be made to the carrier and not to JHTNA.

Purchaser's request for delivery reschedules shall be subject to JHTNA's prior written approval and 30 days prior written notice.

All delivery dates of JHTNA are approximate. Further, JHTNA shall not be liable for any damage, loss, liability or expense as a result of any delay or failure to deliver due to any cause beyond JHTNA's reasonable control, including, without limitation, any act of God, act of the Purchaser, embargo or other governmental act, regulation or request, fire, accident, strike, slowdown, war, riot, delay in transportation, or inability to obtain necessary labor, materials or manufacturing facilities. In the event of any such delay, the date of delivery shall be extended for a period equal to the time lost because of the delay. Purchaser's exclusive remedy for such delays and for JHTNA's inability to deliver for any reason shall be rescission of the affected order by Purchaser providing written notice to JHTNA of Purchaser's decision to rescind the order prior to delivery of the Goods.

5. **Cancellation or Modification.** Purchaser may cancel its order, reduce quantities, revise specifications or extend scheduled delivery only upon terms accepted by JHTNA in writing. In no event shall Purchaser cancel or modify its order after delivery of the Goods. Purchaser shall compensate JHTNA for all damages resulting therefrom, including, but not limited to, out-of-pocket expenses and loss of profit and allocable overhead. Minimum order quantities and quantity discounts shall be applied to approved reduced quantities and current pricing shall be applied to revised specifications and rescheduled deliveries.

6. **Changes.** JHTNA may at any time make such changes in design and construction of products as shall constitute an improvement in the judgment of JHTNA. JHTNA may furnish suitable substitutes for materials unobtainable or rendered economically or otherwise impractical because of priorities or regulations established by governmental authority, nonavailability or shortages of materials from suppliers or price changes.

7. **Warranties.** JHTNA warrants products manufactured by it and supplied hereunder to be free from defects in materials and workmanship, under normal use and service, for a time period in accordance with JHTNA's published warranty for the product then in effect at the time the order is placed. If within the applicable warranty period any such product shall be proved to JHTNA's satisfaction to be nonconforming due to a manufacturer's defect in materials or workmanship, such product shall be repaired or replaced at JHTNA's option. Such repair or replacement shall be JHTNA's sole obligation and Purchaser's exclusive remedy hereunder and shall be conditioned upon JHTNA's receiving written notice of any alleged defect within 10 days after its discovery and, at JHTNA's option, return of such product(s) to JHTNA, FOB JHTNA's designated location.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED; AND JHTNA EXPRESSLY DISCLAIMS AND EXCLUDES ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Any description of the products, whether in writing or made orally by JHTNA or JHTNA's agents, specifications, samples, models, bulletins, drawings, diagrams, engineering sheets or similar materials used in connection with Purchaser's order are for the sole purpose of identifying the products and shall not be construed as an express warranty. Any suggestions by JHTNA or JHTNA's agents regarding use, application or suitability of the products shall not be construed as an express warranty.

8. **Returns.** Products may be returned to JHTNA only when JHTNA's written permission shall be obtained by Purchaser in advance and upon JHTNA's issuance of an RMA number. Returned products must be fully insured by Purchaser up to the purchase price and securely packaged to reach JHTNA without damage, and any cost incurred by JHTNA to put products into marketable condition will be charged to Purchaser.

9. **Patents, Trademarks and Copyrights.** JHTNA will, at its own expense, defend any suits that may be instituted by anyone against Purchaser for alleged infringement of any United States patent, trademark or copyright relating to any products manufactured and furnished by JHTNA hereunder, if such alleged infringement consists of the use of such products, or parts thereof, in Purchaser's business for any of the purposes for which the same were sold by JHTNA, and provided Purchaser shall have made all payments then due hereunder and shall give JHTNA immediate notice in writing of any such suit and transmit to JHTNA immediately upon receipt all processes and papers served upon Purchaser and permit JHTNA through its counsel, either in the name of Purchaser or in the name of JHTNA, to defend the same and give all needed information, assistance and authority to enable JHTNA to do so. If such products are in such suit held in and of themselves to infringe any valid United States patent, trademark or copyright, then: (a) JHTNA will pay any final award of damages in such suit attributable to such infringement, and (b) if in such suit use of such products by Purchaser is permanently enjoined by reason of such infringement, JHTNA shall, at its own expense and at its sole option, either (i) procure for Purchaser the right to continue using the products, (ii) modify the products to render them noninfringing, (iii) replace the products with noninfringing goods, or (iv) refund the purchase price and the transportation costs paid by Purchaser for the products.

Notwithstanding the foregoing, JHTNA shall not be responsible for any compromise or settlement made without its written consent, or for infringements of combination or process patents covering the use of the products in combination with other goods or materials not furnished by JHTNA. The foregoing states the entire liability of JHTNA for infringement, and in no event shall JHTNA be liable for consequential damages attributable to an infringement.

As to any products furnished by JHTNA to Purchaser manufactured in accordance with drawings, designs or specifications proposed or furnished by Purchaser or any claim of contributory infringement resulting from the use or resale by Purchaser of products sold hereunder, JHTNA shall not be liable, and Purchaser shall indemnify and defend JHTNA against any damages, liability or expenses arising out of any claim made against JHTNA for any and all patent, trademark or copyright infringements.

10. Consequential Damages and Other Liability; Indemnity. JHTNA's liability hereunder and with respect to the Goods sold hereunder shall be limited to the warranty referred to in section 7 hereof, and, with respect to other performance of this Agreement, shall in no event exceed the total of the amounts paid to JHTNA by Purchaser.

JHTNA SHALL IN NO EVENT BE LIABLE TO PURCHASER FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF JHTNA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE PERFORMANCE OR BREACH OF THIS AGREEMENT, NOR SHALL JHTNA BE SUBJECT TO ANY OTHER OBLIGATIONS OR LIABILITIES, WHETHER ARISING OUT OF BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE OR OTHER TORT OR ANY THEORY OF STRICT LIABILITY, WITH RESPECT TO PRODUCTS SOLD OR SERVICES RENDERED BY JHTNA, OR ANY UNDERTAKINGS, ACTS, OR OMISSIONS HEREUNDER OR RELATING THERETO.

Without limiting the generality of the foregoing, JHTNA specifically disclaims any liability for property or personal injury damages, including without limitation, death or disability, penalties, special or punitive damages, damages for lost profits or revenues, loss of use of products or any associated equipment, cost of capital, cost of substitute products, facilities or services, downtime, shutdown or slowdown costs, or for any other types of economic loss, and for claims of Purchaser's customers or any third party for any such damages. Purchaser shall indemnify JHTNA against any and all losses, liabilities, damages and expenses (including, without limitation, attorneys' fees and other costs of defending any action) which JHTNA may incur as a result of any claim by Purchaser or others arising out of or in connection with the Goods sold hereunder and based on product or service defects not proven to have been caused solely by JHTNA's negligence.

11. Security Agreement. This Agreement constitutes a Security Agreement between Purchaser, as Debtor, and JHTNA, as Secured Party, pursuant to Article 9 of the Uniform Commercial Code ("UCC"). Purchaser hereby grants to JHTNA a security interest, including without limitation, a first priority, purchase-money security interest, in and to all of the Goods manufactured, sold or provided by or on behalf of JHTNA to Purchaser pursuant to this Agreement, including without limitation, all fitness equipment, exercise equipment, replacement parts, accessories, and supplies (collectively, the "Equipment"), wherever located and whenever acquired, and further including without limitation, all proceeds thereof, including without limitation, all insurance proceeds and other proceeds thereof (collectively, the "Proceeds"), as security for Purchaser's obligation to pay for the Equipment and Purchaser's other obligations under this Agreement. Purchaser further authorizes JHTNA to file any UCC financing statements and amendments thereto or other instruments and to do all things deemed by JHTNA in its sole discretion necessary to attach and perfect JHTNA'S security interest in the Equipment and the Proceeds thereof under this Agreement.

Upon the occurrence of an event of default by Purchaser, including without limitation, a payment default under this Agreement, then JHTNA may, without notice or demand, exercise in any jurisdiction in which enforcement is sought, all of its rights and remedies under this Agreement, all rights and remedies of a secured party under the UCC, and all other rights and remedies available to JHTNA under applicable law, with all such rights and remedies cumulative and enforceable alternatively, successively or concurrently, including without limitation: (a) declaring all amounts due JHTNA by Purchaser to be immediately due and payable in full and the same shall thereon become immediately due and payable in full without demand, presentment, protest, or further notice of any kind, all of which are hereby expressly waived by Purchaser; and (b) taking possession of the Equipment, and for that purpose, entering upon any premises on which the Equipment or any part thereof may be situated and removing the same therefrom without any liability for suit, action, or other proceeding. Purchaser hereby waiving any and all rights to prior notice and to judicial hearing with respect to repossession of collateral, and/or requiring Purchaser, at Purchaser's expense, to assemble and deliver the Equipment to JHTNA or to such place or places as JHTNA may designate.

12. Landlord's Liens. If Purchaser leases any real property upon which the Goods sold hereunder are to be located and applicable law provides for landlord's liens to secure rent obligations, then Purchaser shall notify, and obtain a written lien waiver from, each respective landlord for such locations and provide a copy of each written lien waiver to JHTNA and confirm that the Goods sold hereunder are not subject to any such lien of such landlord(s).

13. Technical Information. Any sketches, models or samples submitted by JHTNA shall remain the property of JHTNA, and shall be treated as confidential information. No use or disclosure of such sketches, models and samples, or any design or production techniques revealed thereby, shall be made without the express prior written consent of JHTNA.

14. Spacing Behind Treadmills. Per industry safety standards (ASTM F2115 and EN ISO 20957-6), JHTNA hereby notifies Purchaser of the need to locate treadmills with a 2 meter long clear zone in the floor space behind each treadmill. The clear zone shall be at least the width of the treadmill and a minimum of 2 meters (6' 7") past the back end of the treadmill. There shall be no walls, no windows, no steps, and no other equipment placed within the clear zone. This clear zone is intended to ensure that if any user of a treadmill were ever to fall off the back of the treadmill, there will be an open and clear space behind the user so that injury may be minimized or avoided. Purchaser's failure to comply with this standard could result in injury to a treadmill user and potential liability to Purchaser. Although JHTNA is hereby expressly giving Purchaser notice of this requirement, only the Purchaser can ensure that Purchaser complies with this requirement and it is Purchaser's sole responsibility to do so. By purchasing exercise equipment from JHTNA, Purchaser accepts its responsibility to comply with this treadmill spacing requirement and all standards applicable to treadmill spacing and agrees to release JHTNA and its affiliated companies, including Johnson Health Tech Co., Ltd. and all of their officers, shareholders, employees, insurers and representatives (collectively, "the JHTNA Parties") from, and indemnify the JHTNA Parties from and against, any and all suits, claims, actions, legal proceedings, demands, losses, damages, costs and expenses, including attorneys' fees, resulting from claims for bodily injury or property damage arising out of or in any way relating to inadequate treadmill spacing. Inadequate clear zones utilized behind treadmills or the failure by Purchaser to comply with industry safety standards concerning treadmill spacing.

15. Purchaser's Property. Any property of the Purchaser placed in JHTNA's custody for performance of this Agreement is not covered by insurance, and no risk is assumed by JHTNA in the event of loss or damage to such property by fire, water, burglary, theft, civil disorder or any accident beyond the reasonable control of JHTNA.

16. Governing Law and Choice of Forum. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Wisconsin, without application of principles of conflicts of laws. With respect to any dispute, controversy or claim arising out of or relating to this Agreement, JHTNA and Purchaser agree and consent to personal jurisdiction in Wisconsin and agree that the Circuit Court of Dane County, Wisconsin and the United States District Court for the Western District of Wisconsin shall be the exclusive forums for the resolution of any such disputes, controversies or claims.

17. Remedies Cumulative. Any of JHTNA's remedies referred to herein shall be cumulative and in addition to such other rights and remedies as may be available under law or equity.

18. Confidentiality. Purchaser will keep all of the terms and conditions of this Agreement confidential and Purchaser will neither disclose the existence of this Agreement nor the terms of this Agreement to any third party except to those employees of Purchaser who need to know such terms for the purpose of effecting the transaction.

19. Entire Agreement. This Agreement, including JHTNA's Order and JHTNA's Electrical (Treadmill Only) & Cabling (Entertainment Only) Requirement which are incorporated herein by reference, constitutes the entire, full and complete agreement between JHTNA and Purchaser with respect to the subject matter hereof. This Agreement may not be modified except by a writing evidencing such modification which is signed by both JHTNA and Purchaser.

Cranium Café Online Services

Background:

The State Chancellor's Online Education Initiative (OEI) has identified Cranium Café software as a recommended tool that integrates with Canvas for supporting a range of online services, including counseling and tutoring. It provides on-demand web-based chat between student and instructor, students with classmates. It can be used to support similar messaging capabilities with tutoring, the library, student clubs, student government, and peer mentors.

One-time set-up costs are covered by the OEI project, so initiating use is free to the college. Licensing is in blocks of 5000 FTE per year at \$3.75/FTE. Cost of adoption to the college is \$18,750/year.

Participation in the use of this OEI initiative validated tool is supported by both the Office of Instruction and the Office of Student Services for its potentially wide-ranging effect on institutional effectiveness. It addresses a current need to help the college provide services at scale for online students, and will help the college address requirements of AP 4105 on Distance Learning as relates to tutoring and ensuring that the College supports Regular Effective Contact.

The annual license is to be paid for the next 12 months through IEPI one-time funds initially, and subsequently through a combination of SSSP, Equity, BSI and Instructional and/or Student Services District funding.

RE: Funding for SIG Consultant Proposal for Transfer Articulation in Banner

DATE: 1/25/17

The funding for the consultants will be split amongst three funding resources:

- \$25,000 from the Admissions and Records Budget (there is a salary savings of \$42,297 from the Assistant Director position that has been vacant for this fiscal year 2016-2017)
- \$10,000 from Equity Funds
- \$5,000 from SSSP Funds

The billable hours may be less. Included is the budget information as well. This work was also outlined in the College Brain Trust Report and will be setting up process and building the articulations in banner while incorporating the training once the Evaluator position comes on board.

To date percentage spend in the three budgets:

- Admissions and Records: 35% spent to date
- Equity: 43% spent to date
- SSP: 28% spent to date

General Information:

Client Name:	Taft College
Client Representative:	Amber Anderson aanderson@taftcollege.edu
SIG Representative:	Dave Goss goss@sigcorp.com
Project Name:	Transfer Articulation Consulting
Other Contractual Information:	
Description of Work:	SIG will provide data input services for Banner® Student articulation services focusing on the institution's top feeder schools. SIG will also provide onsite functional training to orient Taft staff to the baseline functionality of Banner® Student articulation forms. Client is currently using Banner® Student 8.10.1 and Degree Works™ 4.1.4
SIG Project Code:	

Proposed Services:

Tasks:	Hours Range
1. Project management, access, preparation and scheduling (remote)	8 - 16
2. Transfer Articulation functional consulting (remote and/or onsite)	30 - 52
3. Banner® Student articulation data mapping and data entry (remote)	120 - 160
4. Create site-specific documentation (remote)	8 - 16
Total Hours:	158 - 228

Summary of Estimated Costs:

Item	Rate	Amount	Cost Range
Hours	\$170	158 - 228	\$26,860 - \$38,760
Travel Expenses	\$1,700	1 - 1	\$1,700 - \$1,700
Total Cost Range:			\$28,560 \$40,460

Notes:

- The above cost estimates are based on your current contractual rates; rates may increase annually by \$5.00 per hour based on the anniversary of the underlying PSA.
- SIG will invoice only for the consulting hours and travel expenses actually used.
- The hours estimated includes project management, preparation time, travel time (capped at 8 hours per trip), on-site and remote labor, and the development of trip reports.
- Approximate hours and costs are based on the estimated tasks to complete this project as described in the attached "General Description of Work." This may vary based on the assumptions listed and changes in the Client's needs.
- SIG prefers to invoice for meals and incidental expenses on a per diem basis. Receipts will not be provided. Per diem rates are generally based on GSA guidelines.
- Costs exclude all state taxes, if applicable.
- Taft is not using Banner articulation forms as intended; existing data is about 6 - 7 years old and out of date; articulation forms have not been touched in at least 3 years
- Attributes are defined in SCADETL for Taft courses, but not built in articulation forms in any way
- Top feeder schools are CSU Bakersfield and Kern District (Bakersfield, Cerro Coso, Porterville)

General Description of Work:

1. Project management, access, preparation and scheduling (remote):

- Project manager facilitates remote completion of milestone tasks according to recommended best practices and provides ad-hoc consulting and subject matter expertise in support of project team
- Conduct needed planning calls with the Implementation Team and Project Manager
- Provide budget status on a monthly basis
- Coordinate SIG resources and remote connectivity to support project

2. Transfer Articulation functional consulting (on-site training and remote services, preparation and follow-up):

Training, preparation and follow-up

- Remote webinar to review client’s current practices and accounts
- Remote webinars or a single onsite engagement focusing on Banner Transfer Articulation tools for building course articulations and mappings for incoming transfer work, and on learning how Banner TA influences Degree Works™
- Estimate includes travel, training preparation and follow-up for one visit
- Consultant preparation and follow-up includes connectivity, data and block review, project briefings, agendas, travel preparation, trip reports, related project documents to support project success, and other related support.

3. Banner® Student articulation data mapping and data entry (remote)

- Conduct equivalency research using C-IDs for Taft’s feeder schools of Bakersfield, Cerro Coso, Porterville and CSU Bakersfield. If Taft has already compiled a listing of course equivalencies for these feeder schools then SIG will use that list to streamline services.
- Complete data entry of transfer mappings using baseline Banner Transfer Articulation tools
- Estimate assumes three catalog years per campus and includes conducting research using ASSIST on the applicability of each transfer course to the CSU and IGETC general education requirements, transferability to the CSU and UC systems, and any changes in course subjects, numbers, titles or units. Multiple entries and attributes will be input to reflect research results.

Note - If CIDs are used for determining equivalencies, the only courses included would be those that have been submitted and approved for CIDs. Taft has been approved for 117 CIDs; the CIDs of the feeder schools will match some of those. Using CIDs for equivalencies will not include any Taft courses that have not been approved or Taft courses for which there is not an approved course for one or more of the feeder schools.

4. Site-specific documentation (remote):

- Deliver a site-specific manual detailing the research and data entry tasks for managing transfer articulations

Subject: Request for Approval

Board Meeting Date: February 8, 2017

Title of Board Item:

Purchase of class equipment for Introductions to Forensics course ADMJ 1506 from Carolina Biological.

Background:

This request is for class equipment from Carolina Biological for the Introductions to Forensics course (ADMJ 1506) as well as future forensics courses that may be offered in fall 2017.

An essential part of the curriculum is hands-on experience. This equipment will help reinforce the concepts taught in the class, allowing students the ability to apply them in problem solving and troubleshooting exercises.

Purchase of this equipment will strengthen the alignment of the Taft College-Taft Union High School collaboration by improving STEM preparation before college. This effort aligns with the STEM Pathways grant work: "Goal 1: To develop a sustainable STEM pathway through: targeted outreach to K-12 in order to increase student STEM awareness; college-high school collaboration to improve STEM preparation before college; and in-service teacher professional development opportunities in STEM."

Two quotes were obtained. The quotes are listed below. Carolina Biological was selected.

Carolina Biological: \$22,860.49

Merlan: \$35,957.00

Terms (if applicable):

One time purchase.

Expense (if applicable):

\$22,860.49

Fiscal Impact Including Source of Funds (if applicable):

This expense will be paid by the STEM Pathways grant.

Renewal of the Agreement with Redrock Software Corp for Annual TutorTrac Hosting and Technical Support

Background:

Redrock Software Corporation's TutorTrac is a web-based tutoring management software that allows us to effectively and efficiently schedule tutoring as well as track usage of the different areas and services in the Learning Center including Math Lab, Writing, Lab, SI review sessions, tutoring, etc. Moreover, tutors are able to schedule tutoring appointments online and send reminders to students of their appointments via email, text and/or phone. TutorTrac has been an effective tool to collect data in the Learning Center so we can track, analyze, monitor and improve learning support services to help our students succeed.

TutorTrac is connected to registrar and other information technology on campus to provide a unified system to track registrations in courses, record visits to the tutoring and learning center services, and report on progress and grades earned in courses. TutorTrac allows us to schedule appointments online, record visits, enter session notes, check out resources, access records, and quickly run reports. TutorTrac provides our needed reporting and data collection capabilities to assess and improve effectiveness of tutoring and other learning support services in the Learning Center. In addition, TutorTrac has been able to host the server, which creates no additional load on our IT resources.

Terms (if applicable):

March 1, 2017 - February 28, 2018

Expense (if applicable):

\$1999.00

Fiscal Impact Including Source of Funds (if applicable):

This expense will be paid by the Equity budget.

REDROCK
SOFTWARE CORPORATION

REDROCK SOFTWARE HOSTED SERVER AGREEMENT

THIS AGREEMENT is made as of the date executed by the last party to execute this Agreement

BETWEEN:

Redrock Software Corp.

("Redrock")

AND:

Taft College

("TAFT COLLEGE")

WHEREAS:

- A. Redrock is the owner of TutorTrac, AdvisorTrac, FitnessTrac, and LabTrac (referred to as "Trac Product") which refers to scheduling and data management software developed by the Redrock;
- B. TAFT COLLEGE has already purchased a non-exclusive license to use the Trac Product and wishes to have the Redrock provide server hosting services for Trac Product; and
- C. Redrock has agreed to provide server hosting services to TAFT COLLEGE pursuant to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this agreement, the Parties agree as follows:

1.0 DEFINITIONS

In this Agreement, the following terms shall have the following meanings:

"Agreement" shall mean this agreement which may be amended from time to time in accordance with the provisions contained herein;

"Confidential Information" shall mean all information disclosed by either party to the other party under this Agreement, including, without limitation, any trade secret, know-how, formula, design, prototype, compilation of information, data, program, code, method, technique or process, information relating to any product, device, customer information, financial information, marketing information, intellectual property, business opportunities or research and development, but shall not include any information that: (i) is at the time of

REDROCK
SOFTWARE CORPORATION

disclosure in the public domain, (ii) is in the possession of the receiving party prior to disclosure and was acquired from a third-party not directly or indirectly affiliated to the disclosing party, or (iii) is required to be disclosed by law;

“Critical Problem” shall mean a problem or malfunction of Trac Product which causes the Hosted Server to crash; stops TAFT COLLEGE's processing or use of data; results in lost, destroyed or corrupted data; renders Trac Product or the Hosted Server inoperable; causes a software feature failure that cannot be avoided by alternate methods or which otherwise causes a slowdown or shutdown of the Hosted Server's essential operations;

“Data” shall mean information, whether in oral or written (including electronic) form, created, obtained, transmitted, used, maintained, processed, and disposed of by TAFT COLLEGE and Redrock in the course of using and providing, respectively, the Hosted Server under this Agreement, and includes TAFT COLLEGE Data and Student Data;

“Data Compromise” shall mean a security-relevant event in which the security policy of a system used to create, transmit, maintain, use, process, or store data is disobeyed or otherwise breached, and in which data is exposed to unauthorized disclosure, access, alteration, or use;

“Date Data” shall mean computer data or input that includes an indication of date;

“Enhancements” shall mean all present and future corrections, major modifications, additions, upgrades, variations, revisions, refinements, improvements, derivatives and enhancements to Trac Product;

“Hosted Server” shall mean the Redrock's server;

“Major Problem” shall mean a Critical Problem that can be avoided by alternate methods;

“Minor Problem” shall mean a problem or malfunction of Trac Product that causes only minor inconvenience to TAFT COLLEGE including, but not limited to, report misalignments, misspelled error messages and documentation errors;

“TAFT COLLEGE Data” shall mean credentials issued to TAFT COLLEGE by Redrock and all records related to TAFT COLLEGE's use of Redrock's Hosted Server.

“Parties” shall mean the Redrock and TAFT COLLEGE and their respective successors or personal representatives;

“Student Data” shall mean personal identifiers; Protected Health Information (PHI) as that term is defined in the Health Insurance Portability and Accountability Act, 45 CFR Part 106.103; personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g; non-public

REDROCK
SOFTWARE CORPORATION

personal information as that term is defined in the Gramm-Leach-Bliley Financial Modernization Act of 1999, 15 USC 6809. Notwithstanding any other provision of this Agreement, service provider will be responsible for all damages, fines and corrective action arising from disclosure of such information caused by such party's breach of its data security or confidentiality provisions hereunder.

2.0 SERVICE HOSTING PROVISIONS

2.1 Service Hosting. Subject to the terms and conditions of this Agreement, Redrock hereby grants to TAFT COLLEGE a non-exclusive, non-transferable, limited right to electronically access the Hosted Service solely in connection with TAFT COLLEGE's use of Trac Product.

2.2 Non-exclusivity. The rights granted to TAFT COLLEGE under this Agreement are non-exclusive. Nothing in this Agreement shall be deemed or construed to limit, in any way, Redrock's rights to use or license the Hosted Server to others, in any manner or for any purposes during the term of this Agreement. The Hosted Server is a shared server that is also used by other customers of Redrock.

2.3 Access. In order to access and use the Hosted Server, TAFT COLLEGE must obtain access to the internet and pay any service fees associated with such access. In addition, TAFT COLLEGE must provide all equipment necessary to make such connection to the internet, including a computer and modem or other access device.

3.0 SUPPORT AND MAINTENANCE

3.1 Included Services. Redrock shall provide to TAFT COLLEGE the following support and maintenance services:

- (a) emergency telephone assistance to respond to Critical Problems, Major Problems and Minor Problems during Standard Support Hours. The level of response will be determined by the severity level, as follows:
 - a. Critical Problems. Within two (2) hours of notification to Redrock during Standard Support Hours, Redrock will, upon verification of the Critical severity, commence resolution and make every reasonable effort to resolve Critical Problems same day.
 - b. Major Problems. Within four (4) hours of notification to Redrock during Standard Support Hours, Redrock will, upon verification of the severity level, commence resolution and make every reasonable effort to resolve Major Problems within 24 hours.
 - c. Minor Problems. Redrock will, upon verification of the severity level, log the problem and use reasonable efforts to correct Minor Problems, but does not guarantee any particular response time to initiate

resolution.

(b) installation of Enhancement to the Software on a continuing basis during the term of this Agreement.

4.0 REPRESENTATIONS AND WARRANTIES

4.1 **Redrock's Representations and Warranties.** Redrock represents and warrants that:

- (a) it is the owner of the Hosted Server and Trac Product, and has all rights and entitlement to the Hosted Service and Trac Product, and all corporate power and authority, necessary to enter into and perform its obligations under this Agreement, and will not enter into any agreements or arrangements which are in conflict with any provisions of this Agreement;
- (b) there is no pending or threatened litigation or any other proceeding that may affect the Redrock's ability to fully perform its obligations under this Agreement;
- (c) the Hosted Server shall have appropriate functionality for Trac Product, provided that the Hosted Server and Trac Product have been properly operated by TAFT COLLEGE;
- (d) the Hosted Server will function in a manner consistent with industry standards reasonably applicable to such service. Redrock further warrants that the Hosted Service, except for routine maintenance, will be operational at least 99.99% of the time in any given month during the term of this Agreement, meaning that the outage or down time percentage will not be more than .01%. In the event of a Hosted Service outage, Redrock will (i) promptly and at Redrock's expense use commercial best efforts to restore the Hosted Service as soon as possible, and (ii) unless the outage was caused by a Force Majeure event, may refund or credit TAFT COLLEGE the prorated amount of fees corresponding to the time the Hosted Service was unavailable. Neither party will be liable to the other for any failure or delay in performance under this Agreement to the extent said failures or delays are proximately caused by forces beyond that party's reasonable control, provided that the party resumes performance as soon as it is reasonably able to do so; and
- (e) the Hosted Server does not infringe any third-party intellectual property rights. If a third-party claim is made that the Hosted Service, in whole or in part, infringes a third-party's intellectual property rights, then in addition to any other remedies TAFT COLLEGE may have under this Agreement or the law, Redrock will, at no cost to TAFT COLLEGE, either (i) secure all necessary rights for TAFT COLLEGE to continue using the Hosted Service, (ii) modify the Hosted Server to eliminate the alleged infringement without adversely affecting the scope and level of the Hosted Server provided to

REDROCK
SOFTWARE CORPORATION

TAFT COLLEGE; or (iii) replace the Hosted Server with a non-infringing Hosted Server that otherwise meets all the requirements of this Agreement.

4.2 TAFT COLLEGE's Representations. TAFT COLLEGE represents and warrants that:

- (a) it has full power and authority to enter this Agreement, can fulfill all its obligations under this Agreement, and has not entered, and will not enter into any agreements or arrangements which are in conflict with any provisions of this Agreement; and
- (b) there is no pending or threatened litigation or any other proceeding that may affect TAFT COLLEGE's ability to fully perform its obligations under this Agreement.

5.0 PAYMENT

In consideration hosting service provided by Redrock to TAFT COLLEGE in this Agreement, TAFT COLLEGE shall pay to Redrock for the server hosting fee to cover March 1, 2016 to February 28, 2017. Payment shall be made in full on the date that this Agreement has been executed by both Parties and on each anniversary of this execution date thereafter for the duration of the Agreement. This is in addition to the cost of the support agreement fees.

6.0 CONFIDENTIALITY

6.1 Confidential Information. Each party agrees that it shall not use, disclose, or make available to third-parties any Confidential Information disclosed to it by the other party without the written authorization of the disclosing party, and further agrees that it will take all reasonable steps necessary to ensure that the Confidential Information is not disclosed to any third-parties.

6.2 Disclosure Required by Law. In the event that TAFT COLLEGE is required by law to disclose any portion of the Confidential Information, TAFT COLLEGE shall not be in breach of Section 6.1 provided that TAFT COLLEGE shall provide Redrock with prompt written notice of such required disclosure and shall reasonably cooperate with the Redrock, at Redrock's expense, so that Redrock may seek an appropriate court order for protection of its Confidential Information.

6.3 Redrock acknowledges that Student Data is protected from disclosure by federal law and agrees to keep all such data to which it has access in the performance of this agreement in a secure manner and to disclose only upon direction by TAFT COLLEGE.

7.0 COMPLIANCE WITH OPEN RECORDS LAW

Redrock understands that TAFT COLLEGE must disclose to the public upon request any records it receives from Redrock, except to the extent such

REDROCK
SOFTWARE CORPORATION

disclosures are exempted from Taft College Open Records Laws. Redrock further understands that any records obtained or generated by Redrock under this Agreement, may, under certain circumstances, be open to the public upon request under the Taft College Open Records Law. Redrock agrees to contact TAFT COLLEGE immediately upon receiving a request for information under the Open Records Law and to comply with TAFT COLLEGE's instructions on how to respond to the request. Disclosures prohibited in this agreement will be withheld to the greater extent that the law allows.

8.0 OWNERSHIP

It is understood and agreed that Trac Product is the sole and exclusive property of Redrock, that nothing in this agreement shall be construed so as to confer any ownership rights, title or interest in or to the Software upon TAFT COLLEGE, and that all copies of the Software in any form are and shall remain the exclusive property of Redrock.

9.0 TERM AND TERMINATION

9.1 **Term.** This Agreement commences on the date of installation and continues for one year unless sooner terminated in accordance with this Agreement. TAFT COLLEGE has the option to renew for successive one-year terms (each, a "Renewal Term") for a period of 1 year upon thirty (30) days written notice of renewal prior to the end of the Initial Term or Renewal Term, as the case may be.

9.2 General Termination.

- (a) Each party shall have the right to terminate this Agreement at any time upon the provision of three months' written notice to the other party.
- (b) Each party shall have the right to terminate this Agreement, with immediate effect upon written notice to the other party, if the other party breaches any of the provisions in this Agreement and fails to cure such breach within thirty days after receipt of notice by the party not in breach;
- (c) TAFT COLLEGE may terminate this Agreement effective on delivery of written notice to Redrock, or on any later date stated in the notice, if funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for the purchase of the commodities or services provided for in this Agreement, if federal or state laws or rules are modified or interpreted in a way that the services or commodities are no longer allowable or appropriate for purchase under this Agreement or no longer eligible for the funding proposed for payment of this Agreement, or if any license, permit, or certificate required by law or rule, or the terms of this Agreement, is for any reason denied, revoked, suspended, or not renewed.

9.3 **Automatic Termination.** This Agreement shall automatically terminate upon the occurrence of Redrock's ceasing to carry on business, insolvency,

REDROCK
SOFTWARE CORPORATION

bankruptcy, dissolutions, liquidations, winding up, or upon the commencement of any steps or passing of any resolution which, in the opinion of TAFT COLLEGE acting reasonably, is intended to accomplish such ends.

9.4 **Surviving Provisions.** Notwithstanding the termination of this Agreement, the Parties agree that the provisions contained in Section 4.0 and Sections 6.0 through 19.0 of this Agreement shall survive and remain in force.

10.0 GENERAL

10.1 **Choice of Law and Venue.** This Agreement shall be governed and interpreted in accordance with the laws of the State of California. Any action to enforce this Agreement must be adjudicated exclusively in the State District Court. TAFT COLLEGE does not agree to any form of binding arbitration, mediation, or other forms of mandatory alternative dispute resolution. The Parties have the right to enforce their rights and remedies in judicial proceedings. TAFT COLLEGE does not waive any right to a jury trial.

10.2 **Relationship of Parties.** No agency, partnership, joint venture, employee-employer or franchiser-franchisee relationship is intended or created by this Agreement.

10.3 **Entire Agreement.** This Agreement sets forth the entire understanding and agreement between the Parties with respect to the subject matter hereof, and the Parties agree that they have not relied on any representations, warranties, promises or other inducements in entering into this Agreement.

10.4 **Waiver.** The failure of either party to act with respect to any breach of this Agreement by the other party thereof shall in no way operate as a waiver to the right to act with respect to any subsequent or similar breaches.

10.5 **Notice.** Any notice to Redrock may be given by personal delivery, registered mail or facsimile to its offices located at:

David Booth, Director of Technical Support

Redrock Software Corporation

managers@cordernet.com

Please mail all correspondence to Redrock Software Corp. PO Box 40518 Mesa,

AZ 85274

Any notice to TAFT COLLEGE may be given by personal delivery, registered mail, facsimile, or electronic mail to its offices located at:

Each party shall provide notice of any change in their contact information prior to such change taking effect. All notices shall be deemed to be received upon the earlier of the party's actual receipt or two days after dispatch.

10.6 Severability. If any provision of this Agreement is invalid or otherwise incapable of being enforced, that provision shall be deemed to be severable from this Agreement, and all other provisions of this Agreement shall remain in full force and effect.

10.7 Assignment, Amendment, Currency. TAFT COLLEGE shall not assign this Agreement without the prior written approval of Redrock, which consent may be withheld by Redrock in its sole discretion. Redrock shall not assign this Agreement without the prior written approval of TAFT COLLEGE, which consent may be withheld by TAFT COLLEGE in its sole discretion. This Agreement may be amended only by a written document duly executed by authorized signatories of the parties hereto. All references to currency will be in American dollars (\$USD).

10.8 State Audit. All records, regardless of physical form, and the accounting practices and procedures of Redrock relevant to this Agreement are subject to examination by the Taft College State Auditor or the Auditor's designee. Redrock shall maintain all of these records for at least three (3) years following completion of this Agreement.

11.0 RIGHTS IN AND TO STUDENT DATA AND TAFT COLLEGE DATA

The Parties agree that as between them, all rights in and to Student Data and TAFT COLLEGE Data shall remain the exclusive property of TAFT COLLEGE. This Agreement does not give a party any rights, implied or otherwise, to the other party's data, content or intellectual property, except as expressly stated in this Agreement.

12.0 DATA PRIVACY

A. Redrock will use Student Data and TAFT COLLEGE Data only for the purpose of fulfilling its duties under this Agreement and for TAFT COLLEGE's sole

REDROCK
SOFTWARE CORPORATION

benefit, and will not share such data with or disclose it to any third-party without the prior written consent of TAFT COLLEGE or as otherwise required by law. By way of illustration and not of limitation, Redrock will not use such data for Redrock's own benefit and, in particular, will not engage unauthorized access to or disclosure or use of Student Data or TAFT COLLEGE Data, whether through automated or human means, except as specifically and expressly required by law or authorized in writing by TAFT COLLEGE.

B. All Student Data and TAFT COLLEGE Data will be stored on servers located solely within the Continental United States.

C. Redrock will provide access to Student Data and TAFT COLLEGE Data to only those Redrock employees and subcontractors who need to access the data to fulfill Redrock's obligations under this Agreement. Redrock will ensure that employees who perform work under this Agreement have read, understood, and received appropriate instruction as to how to comply with the data protection provisions of this Agreement, and have undergone all background screening and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the data they will be handling, prior to being granted access to the Data.

13.0 DATA SECURITY

A. All facilities used to store and process Student Data and TAFT COLLEGE Data will employ commercial best practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Redrock's own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Without limiting the foregoing, Redrock warrants that all Student Data and TAFT COLLEGE Data will be encrypted in transmission (including via web interface) at no less than 128-bit level encryption.

B. Redrock will use industry-standard and up-to-date security tools and technologies such as anti-virus protections and intrusion detection methods in providing the Hosted Service under this Agreement.

C. Redrock represents and warrants that:

(i) Unless requested and paid for by TAFT COLLEGE, it may, within its discretion, and at its own expense, conduct or have conducted at least annually, an assessment from an established, accredited vendor; a letter attesting as to the security infrastructure should be provided to TAFT COLLEGE

(ii) It will, at its own expense, conduct regularly, internal reviews of systems to maintain the highest levels of security and integrity that are used in any way to deliver the Hosted Server under this Agreement; and

(iii) It may, at its own expense, conduct or have conducted at least

REDROCK
SOFTWARE CORPORATION

annually, a formal penetration test of its systems and facilities that are used in any way to deliver the Hosted Server under this Agreement.

D. Redrock will provide TAFT COLLEGE upon request the results of the above , scans and tests, and will promptly modify its security measures as needed based on those results in order to meet its obligations under this Agreement.

E. Redrock will comply with all applicable laws, Taft College policies and TAFT COLLEGE policies regarding electronic devices, services, and storage and manipulation of confidential data.

14.0 DATA INTEGRITY

Redrock will take commercially reasonable measures, including regular data integrity audits, to protect Student Data and TAFT COLLEGE Data against deterioration or degradation of data quality and authenticity.

15.0 RESPONSE TO LEGAL ORDERS, DEMANDS OR REQUESTS FOR DATA

A. Except as otherwise expressly prohibited by law, Redrock will:

(i) Immediately notify TAFT COLLEGE of any subpoenas, warrants, or other legal orders, demands or requests received by Redrock seeking Student Data and/or TAFT COLLEGE Data;

(ii) consult with TAFT COLLEGE regarding its response;

(iii) cooperate with TAFT COLLEGE's reasonable requests in connection with efforts by TAFT COLLEGE to intervene and quash or modify the legal order, demand or request; and

(iv) upon TAFT COLLEGE's request, provide TAFT COLLEGE with a copy of its response.

B. If TAFT COLLEGE receives a subpoena, warrant, or other legal order, demand or request seeking Student Data and/or TAFT COLLEGE Data maintained by Redrock, TAFT COLLEGE will promptly provide a copy to Redrock. Redrock will promptly supply TAFT COLLEGE with copies of data required for TAFT COLLEGE to respond, and will cooperate with TAFT COLLEGE's reasonable requests in connection with its response.

16.0 DATA COMPROMISE RESPONSE

A. Immediately upon becoming aware of a Data Compromise, or of circumstances that could have resulted in unauthorized access to or disclosure or use of Student Data or TAFT COLLEGE Data, Redrock will notify TAFT COLLEGE, fully investigate the incident, and cooperate fully with TAFT COLLEGE's investigation of and response to the incident. Except as otherwise required by law, Redrock will not provide notice of the incident directly to the persons whose data were involved, regulatory

REDROCK
SOFTWARE CORPORATION

agencies, or other entities, without prior written permission from TAFT COLLEGE.

B. Notwithstanding any other provision of this Agreement, and in addition to any other remedies available to TAFT COLLEGE under law or equity, Redrock will reimburse TAFT COLLEGE in full for all reasonable costs incurred by TAFT COLLEGE in investigation and remediation of such Data Compromise, including but not limited to providing notification to third-parties whose data was compromised and to regulatory agencies or other entities as required by law or contract; the offering of 12 months' credit monitoring to each person whose data were compromised; and the payment of legal fees, audit costs, fines, and other fees imposed by regulatory agencies or contracting partners as a result of the Data Compromise.

C. Unauthorized Disclosure. Redrock shall report, either orally or in writing, to TAFT COLLEGE of any use or disclosure of data not authorized by this Agreement or in writing by TAFT COLLEGE, including any reasonable belief that an unauthorized individual has accessed the data. Redrock shall make the report to TAFT COLLEGE immediately upon discovery of the unauthorized disclosure, but in no event more than two (2) business days after the service provider reasonably believes there has been such unauthorized use or disclosure. Redrock's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) TAFT COLLEGE data used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Redrock has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action service provider has taken or shall take to prevent future similar unauthorized use or disclosure. Service provider shall provide such other information, including a written report, as reasonably requested by TAFT COLLEGE.

17.0 DATA RETENTION AND DISPOSAL

A. Redrock will use commercially reasonable efforts to retain Data for a minimum of three years.

B. Using appropriate and reliable storage media, Redrock will regularly back up Student Data and TAFT COLLEGE Data and retain such backup copies for a minimum of three years. At the end of that time period and at TAFT COLLEGE's election, Redrock will either securely destroy or transmit to TAFT COLLEGE's repository the backup copies. Upon TAFT COLLEGE's request, Redrock will supply TAFT COLLEGE with a certificate indicating the records destroyed, the date destroyed, and the method of destruction used.

C. Redrock will immediately place a "hold" on the destruction under its usual records retention policies of records that include Student Data and TAFT COLLEGE Data, in response to an oral or written request from TAFT COLLEGE indicating that those records may be relevant to litigation that TAFT COLLEGE reasonable anticipates. Oral requests by TAFT COLLEGE for a hold on record destruction will be reduced to writing and supplied to Redrock for its records as soon as reasonably practicable under the circumstances. TAFT COLLEGE will promptly coordinate with Redrock regarding the preservation and disposition of these records. Redrock shall continue to preserve

REDROCK
SOFTWARE CORPORATION

the records until further notice by TAFT COLLEGE.

18.0 DATA TRANSFER UPON TERMINATION OR EXPIRATION

A. Upon termination or expiration of this Agreement, Redrock will ensure that all Student Data and TAFT COLLEGE Data is securely transferred to TAFT COLLEGE or a third-party designated by TAFT COLLEGE, within a reasonable period of time, and without significant interruption in service. Redrock will ensure that such migration uses facilities and methods that are compatible with the relevant systems of the transferee, and to the extent technologically feasible, that TAFT COLLEGE will have reasonable access to Student Data and TAFT COLLEGE Data during the transition.

B. Redrock will notify TAFT COLLEGE of impending cessation of its business and any contingency plans in the event of notice of such cessation. This includes immediate transfer of any Data. Redrock shall implement its exit plan take all necessary actions to ensure a smooth transition of service with minimal disruption to TAFT COLLEGE.

C. The parties agree that on the termination of services, Redrock shall, at the choice of TAFT COLLEGE, return all the personal data transferred and the copies thereof to TAFT COLLEGE or shall destroy all the personal data and certify to TAFT COLLEGE that it has done so. Redrock will also provide copies of all data generated related to TAFT COLLEGE annually.

19.0 NO DRAFTING PRESUMPTION

The Parties agree that the terms of this Agreement were mutually negotiated and shall not be construed either in favor or against either of them by virtue of the extent of their involvement in preparing this Agreement.

CONSULTING SERVICES AGREEMENT

This Agreement is entered into effective the 1st day of February, 2017 by and between Total Compensation Systems, Inc. ("Consultant"), a California corporation with principal offices located at 5655 Lindero Canyon Road, Suite 223, Westlake Village, California, 91362 and West Kern Community College District ("Customer").

The following shall govern the provision of consulting services by Consultant to Customer.

1. Consulting Services. Consultant shall provide the consulting services described on Schedule 1 attached hereto.
2. Compensation to Consultant. Customer shall pay Consultant for the consulting services described on Schedule 1 attached hereto the compensation set forth on Schedule 2 attached hereto.
3. Term and Termination. (a) Term. This Agreement shall commence on the date first written above and shall continue in effect until June 30, 2017, or until all consulting services described on Schedule 1 have been performed, whichever occurs first, unless sooner terminated in accordance with the provisions of this Agreement. (b) Termination Without Cause. This agreement may be terminated at any time by either party upon sixty (60) days prior written notice to the other party. (c) Termination With Cause. Either party shall have the right to terminate this Agreement upon the failure of either party to observe any of the covenants and agreements required to be observed by it under this Agreement, and such failure continues for a period of thirty (30) days after written notice thereof. (d) Rights and Obligations after Termination. Termination of this agreement shall not relieve either party of any rights or obligations arising out of the Agreement prior to termination, with the exception that the amount of the final payment that shall be made by Customer shall be based solely upon the percentage of work that was completed by Consultant.
4. Customer Will Provide Information. Customer shall provide Consultant with the information necessary for Consultant to provide the consulting services described on Schedule 1 attached hereto.
5. Authorization to Acquire Information. Customer hereby authorizes Consultant to acquire the necessary information reasonably required by Consultant to provide the consulting services described on Schedule 1 attached hereto from any agency, agencies, source or sources.
6. Customer's Right to Provide Information. Customer represents and warrants to Consultant that it has the right to provide the information that will be given by Customer to Consultant, or which will be acquired by Consultant pursuant to paragraphs 4 and 5 above.
7. Limitation on Services. Customer understands that Customer retains sole authority and responsibility for the operation and design of all Customer's employee benefit plans.
8. Ownership of Systems and Materials. All systems, programs, operating instructions, forms and other documentation prepared by or for Consultant shall be and remain the property of Consultant. All data source documents provided by Customer shall remain the property of Customer.
9. Indemnification. (a) By Customer. Customer hereby agrees to defend and indemnify Consultant and hold Consultant harmless against any claims, injury, costs or damages (including actual attorneys' fees incurred) resulting from Customer's gross negligence or willful misconduct. (b) By Consultant. Consultant hereby agrees to defend and indemnify Customer and hold Customer

harmless against any claims, injury, costs or damages (including actual attorneys' fees incurred) resulting from Consultant's gross negligence or willful misconduct.

10. General.

- a. Relationship of the Parties. The relationship between Consultant and Customer established by this Agreement is that of independent contractors. Consultant and Customer shall each conduct its respective business at its own initiative, responsibility, and expense, and shall have no authority to incur any obligations on behalf of the other.
- b. Force Majeure. No party shall have liability for damages or non-performance under this Agreement due to fire, explosion, strikes or labor disputes, water, acts of God, war, civil disturbances, acts of civil or military authorities or the public enemy, transportation, facilities, labor, fuel or energy shortages, or other causes beyond that party's control.
- c. Entire Agreement. This Agreement and the Schedules attached hereto contain the entire agreement between the parties and supersedes all previous agreements and proposals, oral or written, and all negotiations, conversations, or discussions between the parties related to the subject matter of this Agreement. This Agreement shall not be deemed or construed to be modified, amended, rescinded, canceled or waived in whole or in part, except by written amendment signed by both of the parties hereto.

- 11. Confidentiality. Consultant recognizes that its work will bring it into close contact with confidential information of Customer, including personal information about employees of Customer. Consultant agrees not to disclose anything that is the confidential information of Customer, or that is proprietary to Customer, including its software, its legacy applications, and its databases, to any third party.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as set forth below.

SCHEDULE 1

For the purposes of this Agreement, "consulting services" shall include the following services provided by Consultant to Customer:

Consulting reports including all actuarial information necessary for Customer to comply with the requirements of current GASB accounting standards 43/45 as well as upcoming standards 74/75 related to retiree health benefits for the first year using a "full" valuation under GASB 43/45 and the subsequent two years under GASB 74/75 roll-forward" valuations. Study results will be separated between four employee classifications. Consultant will provide as many copies of the final reports as Customer shall reasonably request.

Services do not include Consultant's attendance at any meetings, unless requested by Customer at the fee shown in Schedule 2. Services also do not include a funding valuation unless requested by Customer at the fee shown in Schedule 2

SCHEDULE 2

Customer shall pay Consultant for the retiree health valuation report based on the full valuation a total of \$6,200. One-half, or \$3,100 shall be due within 30 days of the commencement of work by Consultant. One-half, or \$3,100 shall be due within 30 days of the delivery by Consultant to Customer of the draft consulting report for the full valuation (or within 30 days of contract termination, if earlier). Customer shall also pay Consultant for each retiree valuation report based on the "roll-forward" valuation a total of \$3,100 within 30 days of the delivery by Consultant to Customer of the draft consulting report for the "roll-forward" valuation (or within 30 days of contract termination, if earlier)

If Consultant receives a non-refundable deposit from Customer of \$2,790 by March 31, 2017, all amounts shown above shall be reduced by 10%.

In addition to the above fees, Customer agrees to pay Consultant an all-inclusive fee of \$1,900 per meeting to attend meetings related to the consulting services. Customer shall pay such meeting fees within 30 days of the meeting. Also in addition, to all of the above fees, Customer will pay Consultant \$2,200 for each "funding valuation" requested by Customer. Neither the meeting fee nor the fee for a "funding valuation" shall be subject to the above discount or to any other discounts.

Date: January 25, 2017
Submitted by: Jim Nicholas, Director of Fiscal Services
Area Administrator: Brock McMurray, EVP of Administrative Services 
Subject: Information Item

Board Meeting Date: February 8, 2017

Title of Board Item:

Report of Investments as of the quarter ended December 31, 2016 held at: U.S. Bank Global Corporate Trust Services & The Bank of New York Mellon Trust Company, N.A.

Background:

These investments are not included in the District's Investment Portfolio, which is managed by Wells Fargo Investments and Morgan Stanley Smith Barney. Attached is a summary of the investments held at **U.S. Bank Global Corporate Trust Services and The Bank of New York Mellon**. This represents a summary of activity for the period of July 1, 2016 through December 31, 2016. Investments were held at these two institutions as part of the Districts General Obligation Bonds and/or Certificate of Participation (COP) Notes Program. This provided an investment vehicle for WKCCD to be used in conjunction with its construction programs and building on campus. This information is being submitted for informational purposes only.

Terms (if applicable): July 1, 2016 - December 31, 2016

Expense (if applicable): Not Applicable

Fiscal Impact Including Source of Funds (if applicable):

The **U.S. Bank Global Corporate Trust Services** accounts had a beginning balance of \$28,893,514 at July 1, 2016, and an ending balance of \$1,896,603 for its Certificates of Participation accounts, reflecting a decrease of (\$26,996,911) for the period just ended. The use of these funds represents the prepaying of the 2008 certificates in full. The \$1,896,603 remaining represents the required insurance policy value tied to the 2015 certificates of participation issued.

At July 1, 2016, the **Bank of New York Mellon** had a beginning balance of \$18,520,409 in the accounts tied to the District's general obligation bonds. At December 31, the accounts had a total balance of \$0.02. This use of these funds represents payments made per the terms of the 2015 refunding of the District's general obligation bonds.

Approved: 
Dr. Debra Daniels, Superintendent/President
