The policies have been written to be consistent with provisions of law, but do not encompass all laws relating to District activities. All District employees are expected to know of and observe all provisions of law pertinent to their job responsibilities. The Board shall regularly assess its policies for effectiveness in fulfilling the District's mission.

Policies of the board may be adopted, revised, added to or amended at any regular Board meeting by a majority vote. Proposed changes or additions shall normally be introduced not less than one regular meeting prior to the meeting at which action is recommended. In unusual circumstances, the Board may change, amend, or add to Board Policies at the same meeting at which they are introduced.

Administrative procedures are to be issued by the Superintendent/President as statements of method to be used in implementing Board Policy. Such administrative procedures shall be consistent with the intent of Board Policy. Administrative procedures may be revised as deemed necessary by the Superintendent/President.

The Superintendent/President shall, annually provide each member of the Board with any revisions since the last time they were provided. The Board reserves the right to direct revisions of the administrative procedures should they, in the Board's judgment, be inconsistent with the Board's own policies.
