# Unification is **key**

Every element in the Taft College brand, such as color choices, fonts, tone of voice and photography help communicate Taft College to current and prospective students. A cohesive look in all materials, centered around a well-designed logo, lays a foundation for the student experience. It brings a sense of pride in the school and increases the ownership each individual feels over his/her academic and athletic endeavors.

**Goal: Attract students 18-24 with a modern, clean and updated look.**

Enclosed you will find a simple and clear guide for developing materials. These brand guidelines include:

- Brandmark
- Logo Spacing / Minimum Size
- Logo Placement

The protection of the visual integrity will be of primary importance; it should never appear in a way that is inconsistent with these guidelines. ### ADDITIONAL LOGO GUIDELINES

#### **Obtaining the Logo**

For inquiries on applications of the brandmark, or to obtain a logo in electronic form, please consult with a brand manager. To ensure quality, logos should not be copied from webpages because the relatively low resolution of web graphics will cause the logo to look fuzzy and unsharp when copied to printed publications.

#### **Logo Extensions**

Offices and departments are asked not to create their own visual identifiers or alter the official logos outlined in the brand guide in any way. Offices and departments may use their name with the wordmark. Names should only be combined below the college logo as a sub-heading.

### PRINT COLLATERAL

#### **Business Stationary**

All stationary is ordered in bulk through the Office of Administrative Services and printed by an outside vendor. Business cards, letterhead, envelopes, and other stationary are stored and distributed through the Administrative Assistant(s) of the appropriate office.

#### **Business Cards**

Business cards must be ordered through the Administrative Assistant(s) of the appropriate office.

#### **Digital Collateral**
