This semester I have struggled with a knee injury. I had surgery and fell behind in my classes and struggled throughout the semester. After healing a little I still had to attend physical therapy and then my mom went through her appendix surgery where I had to watch over my siblings. This caused another obstacle with these classes.

To whom this may concern,

This past spring semester I had struggled with my mental health and my classes became overwhelming. I tried my best to keep up my homework and was unsuccessful. I really had high hopes for the summer. Unfortunately, I had registered for 4 classes this summer to make up for last semester but didn't want to make the same mistake as last semester, so I withdrew from 2 classes. If it's possible to please excuse these courses for the spring and summer as it has impact my gpa in a negative way. I have reached out to Medi-Cal to make an appointment with the right department to receive the help i need to succeed.

I had experienced a knee injury that ultimately led to me having to leave the dorms and move back home earlier than expected for doctor visits. The injury also affected my way of transportation as I couldn't drive myself. I also tried to find rides but with it being throughout the week I couldn't.

Hi, my name is [REDACTED]
I am petitioning for an EW for the spring term for two courses. I was not successful in the spring semester because I was going through some mental health issues that prevented me from attending classes and submitting assignments, even if I wanted to because I was in a depressive episode, I ended up seeing a therapist and I was diagnosed with persistent depressive disorder and ptsd. During this time I was also trying to work on removing my sister from an abusive situation after she had attempted suicide.

YOU MAY UPLOAD DOCUMENTATION THAT SUPPORTS THE EXTENUATING CIRCUMSTANCES IN YOUR STATEMENT ABOVE.

ARE YOU FILLING THIS OUT WITH THE ASSISTANCE OF A COUNSELOR/ADVISOR?

ALL INFORMATION YOU PROVIDE WILL BE KEPT CONFIDENTIAL. PLEASE INCLUDE AS MUCH DETAILED INFORMATION AS POSSIBLE THAT YOU ARE COMFORTABLE WITH PROVIDING.

During the last two semesters, I began experiencing a major depressive episode. My parents moved from California to Michigan leaving me here to live with my girlfriend, without any extended family in California. I did not handle their departure well emotionally. I didn't realize how badly it was affecting me until I found myself completely unable to focus on my schoolwork. Eventually, they lost the home they were renting; my little sister not having a proper home was my breaking point. My parents began asking me to help them financially and quickly it got out of hand. I am now getting myself into therapy and working on furthering my education and career. I am currently enrolled in four summer classes and I know I can pass them all this time around.

YOU ARE REQUIRED TO UPLOAD DOCUMENTATION THAT SUPPORTS THE EXTENUATING CIRCUMSTANCES IN YOUR STATEMENT ABOVE.
