

AP 4232 Pass/No Pass

Reference:

Title 5 Section 55022

NOTE: *This procedure is **optional**, but it is **legally advised** if the District offers courses on a pass-no pass basis. Local practice may be inserted below, but it should comply with the following.*

Courses may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a "pass-no pass" basis.
- Courses in which each student may elect until the last day of instruction, as established and published by the District, whether the basis of evaluation is to be "pass-no pass" or a letter grade.

A student electing to be evaluated on the "pass-no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass-no pass" are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.

NOTE: *The District may insert its local practice on how pass/no pass classes are identified and how students select the pass/no pass option. The District must replace "credit/no credit" with "pass/no-pass" by Fall 2009.*
